

ON THE HUSTINGS

By GORDON FORBES

Thousands of Victorians who attended church Sunday were advised to vote "no" on the June 12 liquor plebiscite.

Ministers of numerous churches, especially those of the United Church, dealt with the issue in their sermons and told their congregations to cast negative ballots.

At First United Church, Rev. Moir J. Waters quoted figures about the liquor situation in Ontario to show that liberalized liquor laws there have not cut consumption.

"In urging a 'no' vote, on the plebiscite, I don't mean we are satisfied with the present situation," he said. "We only want to mark time until a commission can investigate the whole problem."

Rev. G. R. Easter, of First Baptist Church, referred to the "absurdity of the contention that more liquor outlets will decrease sales."

Dr. J. G. Brown, of the Church of Our Lord, told his congregation British Columbians already spend \$60,000,000 a year on liquor.

Rev. R. F. Merrill, of the Church and Missionary Alliance, also urged a "no" vote.

Representatives of 25 different churches co-operated Sunday to distribute 21,542 Greater Victoria Citizens' Association pamphlets urging a "no" vote on the liquor plebiscite. Another 13,300 pamphlets were mailed.

The whole job was done in 90 minutes by 445 volunteers who distributed them on a door-to-door basis.

Mrs. Arthur Ash, wife of the Saanich Liberal candidate, will be as glad as anyone when Thursday comes.

In campaigning for her husband, she has knocked on more than 300 doors in Saanich.

"My aching feet," she is moaning.

Unofficial reports today said a Catholic rally at a Yates Street theatre Sunday chose four city candidates to support in the election.

They were A. R. McPhillips and Mrs. Margaret Harvey, Progressive Conservatives, and Mrs. Lydia Arsenault and Elmer McEwen, both Social Crediters.

Meetings Tonight at 8

Education Minister W. T. Straith and Capt. D. J. Proudfoot, Victoria Liberal candidates, at Monterey restaurant.

Saanich Liberal candidate Arthur Ash and Mrs. Nancy Hodges, city candidate, at St. Andrew's Hall, Sidney.

Robert Fort, Esquimalt Progressive Conservative candidate, at Esquimalt Fraser Street Hall with Maj.-Gen. G. R. Pearkes, V.C., M.P., and Dr. Larry Giovando, Nanaimo candidate.

Esquimalt C.C.F. candidate Frank Mitchell at Sooke Community Hall.

Saanich Social Credit candidate A. F. Beyerstein at Lake Hill Community Hall.

Urge 'No' Vote

On Plebiscite

VANCOUVER, June 9 (CP).—A double-barreled resolution on the June 12 liquor plebiscite was passed yesterday by employees of hotels, restaurants and clubs at a meeting attended by Attorney-General Gordon Wismer.

The resolution urged an "emphatic no vote" in the plebiscite and asked the government to start an "extremely limited" program to permit serving of liquor and wine in premises licensed or eligible for licence under the present B.C. Liquor Act.

A. R. Johnstone, vice-president of the Hotel and Restaurant Employees and Bartenders International Union, told the meeting a "no" vote was necessary to protect "the established wage pattern for our trade."

AN EDITORIAL

The Election

FOR THE FOLLOWING REASONS THIS NEWSPAPER thinks that the government of Byron Johnson should be re-elected:

(1) By and large under Liberal administration or Liberal leadership since 1916 (with an unhappy five-year interruption), the affairs of British Columbia have been well managed. In this period, and especially in recent years since Mr. Johnson headed the government, British Columbia has experienced unexampled progress and is today the most fortunate part of Canada, perhaps the most fortunate area in the world. This growth not only has produced the highest level of prosperity ever achieved in Canada but has been accompanied by social reforms far in advance of those in any other province. For this reason alone we believe the government is entitled to a new mandate to pursue its policies.

(2) British Columbia's supreme need today is a government with a working majority, capable of governing. The lack of such a majority in the next legislature, the consequent jockeying by minority parties, the weakness and uncertainty in government, would damage all British Columbia's prospects, economic and social. If this assumption is accepted—and who can deny it?—the electors must ask themselves what party has the chance to win a majority. Only the Liberal Party, we believe, has that chance. If it is not given a majority British Columbia seems doomed to minority and weak government.

(3) Apart from the necessity of establishing a durable and strong government the major issue of this election is whether British Columbia shall pursue the policies of free enterprise which have built its present expansion or shall plunge into C.C.F. socialism, putting its entire economy under the management of Mr. Harold Winch and his inexperienced colleagues. We do not believe for a moment that the electorate is ready to plunge British Columbia into such an experiment at the very moment when the existing system is working so well, to dam up the flow of investment into the province, to throttle our present growth and to kill the goose that lays the golden eggs. But, as we see it, the only practical alternative is a Liberal government.

(4) The leadership of the Liberal Party, we think, is the ablest presently available. The character and capacity of Mr. Johnson are admitted on all sides, even by his opponents. He is surrounded by able lieutenants with long experience in the art of government.

On the other hand, despite his abilities, we believe that Mr. Anscomb is disqualified from office by his connections with the wine and brewing interests, almost all of whose business is done exclusively with the government. By one of the oldest and soundest constitutional principles of the British parliamentary system, as recently reiterated by Mr. Churchill, no man so situated should hold government office. Apart from Mr. Anscomb and Mr. Carson (a man of highest integrity and a great public servant), the Conservative Party is so weak in leadership and experience that it is difficult even to imagine the composition of a Conservative cabinet. And impossible, for that matter, to imagine such a result of the election.

Mr. Winch lacks an hour's experience in government. Without any training in office or in business he proposes to undertake not merely the management of the government but the management of the entire economic system in this province. Even if one accepts the theory of socialism (rejected by all British countries that have tried it), few will

seriously argue that Mr. Winch and the men around him are equipped to put socialism into operation. The electors should remember that in voting for the C.C.F. they will not be voting to place the affairs of British Columbia into the hands of some great and experienced reformers of the Left. They will be voting to put them into the hands of Mr. Winch, his father and a few other well-known figures who have never learned yet to run anything, except an unsuccessful political party.

(5) The only clear intrinsic issue of policy in the election, beyond the issue of socialism, is the future of hospital insurance. A vote for the government is a vote for the maintenance of the present system which, despite all its mistakes and shortcomings, unquestionably is the best and most complete yet established anywhere, under the free enterprise or the socialist system.

A vote for the Conservative Party is a vote for the abolition of this system, establishment of a vague alternative, leaving a large part of the population uninsured and plunging the whole hospital system back into its former state of poverty and deficit.

A vote for the C.C.F. is a vote for the transfer of most hospital costs to the treasury and the taxpayers, making inevitably for huge increases in cost when the present safeguards are removed, and finally for the collapse of the whole system under an unbearable load of expenditure.

Readers of this newspaper know that it has been critical of some proposals for changing the hospital insurance system, particularly of the suggested abolition of co-insurance. In this respect we think Mr. Johnson is right and that the recent convention of his party was wrong. But we believe that this dispute of detail can be satisfactorily settled if Mr. Johnson is returned. From the Conservative Party we can hope for nothing but the immediate destruction of the system, from the C.C.F. a longer and more costly process of destruction as costs are disguised and increased.

For these reasons—though it has frequently criticized various aspects of government policy and expects to do so again in the future—the Times believes that on balance the electors' wise course will be to re-elect the government. We do not suggest that the government is perfect. No government ever is. But what of the opposition parties? What actual policy, except the destruction of hospital insurance, do the Conservatives offer? None that we know of. What does the C.C.F. offer? Only the magic of socialism and gigantic increases in public expenditure which, though aimed at large corporations, will be paid by the public in directly in prices.

As for Social Credit, it cannot yet be called a party. It has no leader and is only a satellite of the Alberta government, managed by an Alberta politician. It offers only a monetary miracle which its candidates obviously do not understand, a vague aspiration for good government and an objection to evil.

And what does the Liberal Party offer? It offers to continue the policies which, under its management in the last three decades, have made British Columbia the most progressive, prosperous and expanding area in Canada. The electors, we believe, would be unwise to repudiate those policies at the very moment when their harvest is being reaped.

MASSEY, ST. LAURENT SEND QUEEN BIRTHDAY WISHES

OTTAWA, June 9 (CP).—Birthday messages to Queen Elizabeth were sent today by Rt. Hon. Vincent Massey and Prime Minister St. Laurent.

The Governor-General's message:

"With my humble duty I send Your Majesty on behalf of the people of Canada loyal greetings and respectful good wishes on this day on which we celebrate Your Majesty's birthday. That you, Madam, may enjoy many years of happiness is the hope and prayer of Your Majesty's Canadian subjects."

In a message to the Queen's private secretary, Mr. St. Laurent said:

"I should appreciate it if on the occasion of the official celebration of the Queen's birthday in Canada you would convey to Her Majesty the greetings, congratulations and good wishes of my colleagues and I."

Flight of East Germans To West Said Slowed

BERLIN, June 9 (AP).—Border patrols reinforced by Soviet soldiers checked the flight of East Germans to the west today as surrounded West Berlin waited apprehensively for the next squeeze of the tightening Communist vise.

British authorities continued their reprisal siege of Russia's Radio Berlin headquarters inside the city's western sectors. Allied patrols were barred by Russians again today from Berlin's life-line highway to West Germany. But the Russians still evaded

PRINTING RACKETEERS PUSHED PHONY STOCK

LONDON (CP).—A father and son who once had a printing business in Toronto were described in court as "clever, artful frauds" who should be in jail.

Instead, it was stated, they are safe in Buenos Aires, living on the proceeds of a \$500,000 share-pushing racket which left a trail of dupes around the world.

They were identified as Dr. Julius Gert, once a doctor of philosophy at Vienna University, and his son, Peter Allan. There is no extradition in Argentina.

Operations of the Gerts were described at an Old Bailey trial in which Anthony Heckstall-Smith, 47, described as one of their dupes, was sentenced to 18 months' jail for fraudulently converting \$3,500 paid for gold-mining shares.

Testimony at the trial said the Gerts traveled from country to country, living in high style and

21-Gun Salute Honors Elizabeth

Schools, Government Establishments, Many Professional Offices Close in Victoria

All schools, practically all government establishments and many professional offices closed in Victoria today to mark the first observance of the official birthday of Queen Elizabeth.

A 21-gun salute was fired by artillerymen at Work Point Barracks.

Sixteen gunners, under direction of Lt. M. A. Rycroft, boomed out the salute at noon using four 25-pound field pieces. The first fired exactly at noon. Following shots were fired at 10-second intervals.

The same crew will go through the same routine Tuesday in observance of the actual birthday of the Duke of Edinburgh, who will be 31.

The Queen was 26 on April 21 but the public celebration of her birthday was delayed to provide an early-summer holiday weekend.

Twenty-one gun salutes were fired in all provincial capitals and in some other big cities. However, it was business as usual in most retail establishments and industries.

Parliament sat in Ottawa but extra flags were flown.

On Wednesday Saskatchewan voters will decide whether Premier T. C. Douglas' C.C.F. administration, in office for eight years, will be returned for a third term. The C.C.F. and Liberals are contesting all 53 seats in the legislature.

In the field with a smaller number of candidates — not enough to form a government — are the Social Crediters and the Progressive Conservatives. The latter, with representation in the legislature since 1934, are concentrating on eight seats in the hope of winning a foothold.

The Social Credit party has 24 candidates. It elected two members in 1938, but has not been represented in the House since.

Focal point of C.C.F. and Liberal week-end speechmaking was the role of a Montreal financier, F. C. Rubbra, in the province's oil development. Mr. Rubbra obtained oil rights on 9,000,000 acres for himself and his associates.

M. J. Coldwell, national C.C.F. leader, said in a speech at Moose Jaw that the Rubbra deal was simply a business transaction on a royalty basis. He said he wouldn't be advocating the return of the C.C.F. government had he not investigated and proved to his satisfaction that the charges levelled by opposition candidates were unfounded.

Not much chance of forgettin' your birthdays when a whole Commonwealth remembers 'em.

See where they're puttin' th' Blarney Stone up fer rent. Still a couple o' days left 't' use it if th' local campaign managers act quick.

This is th' home stretch fer th' candidates. An' that's where most of 'em will be goin'.

I. W. A. Applies To Labor Board For Strike Vote

KENT ROWLEY HELD IN JAIL

VALLEYFIELD, Que., June 9 (CP).—R. Kent Rowley, ousted Canadian director of United Textile Workers of America (T.L.C.-A.F.L.), remained in jail today pending arraignment on charges of obstructing police and of holding a meeting without a permit.

Rowley and Charles Lipton, both of Montreal, were arrested at a meeting Sunday night in connection with the strike at the plant of Montreal Cottons, subsidiary of Dominion Textile Company.

Police said Lipton, described as an organizer, is charged with obstructing police.

Steel Strike May End Today Say Officials

WASHINGTON, June 9 (UP).—Top government officials predicted the steel strike would be settled today—barring a last-minute hitch on the bitterly fought union shop issue.

Informed officials said the C.I.O. United Steelworkers and the basic steel industry were "just about agreed" on a contract calling for a straight wage increase of about 15 cents an hour and fringe benefits of seven or eight cents an hour more.

As presidential assistant John R. Steelman called three-man bargaining teams from each side back into joint session for the fifth day, informants said major snags appeared to be the type of union security the steelworkers would get—and the effective date of the contract.

An early settlement would take the pressure off administration leaders in the senate, who have been waging a delaying action to ward off senate interference in the dispute. It would also remove the last remaining roadblock to senate action in extending the Defense Production (Controls) Act.

Reds Demand Peace Talks Started Again

PANMUNJON, Korea (UP).—The note sent to Gen. Mark Clark by the Communist leaders in Korea demands immediate resumption of the truce talks which Allied officers had recessed for three days.

Peiping radio and North Korean Gen. Nam Il, chief Red negotiator, angrily have denounced the U.N. action and demanded three times that the U.N. cut short the recess.

Allied negotiators bluntly turned them down.

They ignored Communist charges of "insolence" and preparation for extended war. They said they would stay away from the truce tents until Wednesday unless given written assurance that the Reds had something new to talk about.

On Wednesday Saskatchewan voters will decide whether Premier T. C. Douglas' C.C.F. administration, in office for eight years, will be returned for a third term. The C.C.F. and Liberals are contesting all 53 seats in the legislature.

In the field with a smaller number of candidates — not enough to form a government — are the Social Crediters and the Progressive Conservatives. The latter, with representation in the legislature since 1934, are concentrating on eight seats in the hope of winning a foothold.

The Social Credit party has 24 candidates. It elected two members in 1938, but has not been represented in the House since.

Focal point of C.C.F. and Liberal week-end speechmaking was the role of a Montreal financier, F. C. Rubbra, in the province's oil development. Mr. Rubbra obtained oil rights on 9,000,000 acres for himself and his associates.

M. J. Coldwell, national C.C.F. leader, said in a speech at Moose Jaw that the Rubbra deal was simply a business transaction on a royalty basis. He said he wouldn't be advocating the return of the C.C.F. government had he not investigated and proved to his satisfaction that the charges levelled by opposition candidates were unfounded.

Not much chance of forgettin' your birthdays when a whole Commonwealth remembers 'em.

See where they're puttin' th' Blarney Stone up fer rent. Still a couple o' days left 't' use it if th' local campaign managers act quick.

This is th' home stretch fer th' candidates. An' that's where most of 'em will be goin'.

He pointed out that of the original 617 votes cast one was spoiled—"I hope that's all we have in the real election."

Then eight votes were "exhausted" on the last count due to plumping and failure to mark a full ballot, leaving 608 as valid ballots for the final count. This reduced the majority to elect to 305, which is one more than half of the valid vote.

"These means that—except for the spoiled and exhausted ballots—everyone who marked a ballot had at least some say in who won the contest," he said.

"I think the contest has been worthwhile in showing Victorians how it works."

Results of the essay and winning majority guessing contests will be announced in The Times tomorrow.

B.C. Wage Disputes Involve Total of 65,000 Workers

An estimated 65,000 men may be jobless within days as a result of the breakdown over the week-end of labor negotiations.

Major developments were these: 1. International Woodworkers of America, C.C.L., representing 32,000 loggers and millworkers, has asked the Labor Relations Board that a strike vote be taken Friday. Current master contract with 163 employers expires Saturday midnight.

2. Carpenters' locals at Vancouver, New Westminster and Port Alberni will meet tonight, presumably to set strike deadlines. There are 3,000 members and 20,000 other men in building trades.

3. Courtenay and Campbell River carpenters maintained their picket lines today following their strike action Friday noon. About 500 carpenters and another 500 building tradesmen are affected.

4. Vancouver Painters' Union (T.L.C.) will set a strike date to night for its 900 members.

5. British Columbia salmon fishermen, members of the Allied Fishermen's Union (T.L.C.), will not put to sea June 22 unless employers rescind their proposed cuts in salmon prices. Union membership is 6,000.

There are several other potential trouble spots in the labor scene in less advanced stages of negotiations.

From 700 to 800-Victoria carpenters will be affected by a strike vote to be taken Wednesday that will involve an additional 3,000 building tradesmen.

Building Material and Fuel Truck Drivers' Union in Vancouver, representing 500 members, is seeking a 35-cent hourly wage boost.

TALKS ON TUESDAY

On Tuesday wage talks will begin between 11 unions representing 2,500 workers and operators of five B.C. shipyards.

Federation of Telephone Workers of B.C. will take its dispute over an 18-per-cent wage increase to conciliation.

Members of the Oil Workers' International Union (C.C.L.) at loco, 250 strong, have applied for a government-supervised strike vote. They asked a 20-per-cent wage increase, and were offered 6 1/2 per cent.

New B.C. Plant

NELSON, B.C. (CP).—Construction of Canada's second largest diesel service plant will start shortly as part of the plan for developing diesel train service on the C.P.R. line between Kootenay and Kettle Valley.

On Tuesday wage talks will begin between 11 unions representing 2,500 workers and operators of five B.C. shipyards.

71 NATIONS ENTER GAMES

HELSINKI, June 7 (UP).—A total of 71 nations have confirmed their participation in the 1952 Olympic Games, the organizing committee announced at the deadline today.

Invitations were sent to 79 nations but eight failed to accept.

At London in 1948, 59 nations and 6,000 athletes set the old record. In Berlin in 1936 there were 49 nations and 4,069 participants.

This time the number of athletes is expected to rise to 8,000.

Jordan King's Wife, Son in Swiss Hiding

GENEVA, June 9 (Reuters).—The missing Queen Zai of Jordan and her 17-year-old son Hussein are still in Switzerland, hiding from King Talal, it was reliably reported here today.

It is believed the queen placed herself and her son under the protection of police Friday night when she learned that Talal was due in Lausanne to visit them.

Hussein is next in line to the shaky Jordan throne. Middle East reports have said that he may be proclaimed king on his next birthday because of Talal's health.

Talal, suffering from a mental disorder, arrived at Lausanne from Paris Saturday. He was ready to leave if he heard from his wife.

The queen's sudden departure from her hotel 20 minutes before the Rome Express left Lausanne gave rise to reports she had gone to Rome.

Schooner Free From Sandbar Runs Aground

BANDON, Ore., June 9 (AP).—The lumber schooner Cynthia Olson, pulled free from a sandbar Sunday night, was aground again in the Coquille River here today.

The vessel, a hole punched in her bottom amidships, was no longer in danger, and tug boat crews hoped to bring her to dock here at high tide.

J. E. Valstrom, Bandon port manager, said two tugs, the Port of Bandon and the Coast Guard's Bonham, were trying to work the schooner upriver when she ran aground on the river bottom at low tide. The crew of 28 remained aboard.

Dick Tracy Wins Times Poll on Fifth Count

With a last-minute surge on the final count Dick Tracy won the Times alternative voting contest, defeating Orphan Annie by 317 to 291.

In the last count a vote of 305 was necessary to elect—one more than half the valid ballots still in the contest.

This was because between the fourth and final counts eight ballots were dropped because they became exhausted. Some of them were "plumpers" for Major Hoople, who was defeated on the fourth count. Others were marked only 1 and 2 for Hoople and either Blade Winters or Kerry Drake or Hopalong Cassidy, who were defeated on earlier counts, and had no other alternative choices marked. Still others had only two other choices marked besides

Hoople, but for candidates already beaten.

With these ballots exhausted the total required to elect was reduced accordingly.

The final count demonstrated one of the possible surprises in the new alternative system. Orphan Annie had led the counting from the start, although her margin had been only small on the third and fourth counts.

But Tracy pulled a lot of second and third choices from Major Hoople's votes and overcame the lead right near the finish.

Returning officer Alan Macfarlane, who supervised the counting, said the contest, quite by accident, showed very clearly how the new system works, since it happened to go right down to a final count.

ON THE TIMES

By ART STOTT

One of the warmest things about California is the invitation friends from that state give you to visit them. They come across from the mainland to Victoria on their summer pilgrimages to the green northwest, spend an hour or an evening with you and pull out their road maps.

They show you where they plan to travel, do a little fishing and loaf.

As they're leaving, they ask a stock question: "Look, why don't you come down south and visit us? There'll always be a bed there and we can rustle up something to eat. It'll only take you a couple of days to drive down."

To which you reply: "Yep, we sure would like to. But the kids are a little young, you know. We don't like to leave them too long—hard on the old folks. Just the same we'll be down one of these days." That's the polite way of saying "Can't do it. We're still broke, and the house needs painting."

Then you begin to wonder just what you'll do for a holiday this summer. Don Macmurchie comes up with an answer.

"You've got a tent, haven't you? You own a car and you have to eat and feed the family whether you're taking a trip or not. Look what we've got for you on the island."

The New Miracle

This summer the parks division of the B.C. Forest Service will have Miracle Beach ready for campers. It's 12 miles north of Courtenay on the sea shore, about a mile from the highway, over a special park road. Black Creek, just south of Oyster River, comes out on the beach. The shore's good sand, the water's shallow and it's warm enough for swimming, if you're hardy.

The park boys have built 40 campsites there, with tables and outdoor cooking arrangements. Fresh water service is provided and parking accommodation. You can go to Miracle Beach, wander through the 300 acres of woodlands next to the shore, enjoy the wildlife, if you like deer, beaver, eagles, ospreys and a dozen other animals and birds. Or you can just lounge on the beach with the kids.

Macmurchie will play poor man's Baedeker for you. Pile the kids, the tent and the groceries into the car, gas up and head for John Dean Park, he advises. You can spend the night there, admiring the best views of the Gulf you can get anywhere before darkness closes in.

Then stow your stuff back in the car, take the ferry and head for Ivy's Green, which is a mile north of Ladysmith, has a woody atmosphere on the shore of Ladysmith harbor and furnishes a swell roadside lunch spot, with picnic tables, fireplaces and bathing facilities for the youngsters.

After lunch, Don says, you can hit for Petroglyph Park, half a mile south of Nanaimo, and there, he adds, with the pitch of a sideshow barker, "You can gaze in awe at the rock markings of an unknown and departed race, and it won't cost you a thin dime, the tenth part of a dollar."

Your Life in the Woods

You can make your second night's stop quite handily at Englishman's River Park. Macmurchie describes it with the official spiel of the B.C. tourist bureau—"the spectacular gorge, canyon and falls, steelhead-pools and swimming-hole—if you can stand cold water." The park's good for an evening and morning and attracts those who like sylvan trails, fine stands of mature fir and spectacular scenery.

Twelve miles further north Little Qualicum Park encourages a two-day stay to enjoy the falls, the variety of forest cover that includes yellow cedar, spruce, big yews, maple, arbutus and the common conifers.

And from Little Qualicum the camper can make side trips to the alpine meadows of Mount Arrowsmith, the big trees of Cathedral Grove in MacMillan Park, where one fir contains enough potential lumber to build five four-room bungalows, and to the new lunch and cooking site at the lower end of Cameron Lake.

From Little Qualicum, Don suggests, you drive to Stamp Falls to see the fish ladders, the falls and the canyon. You can take in the Alberni Valley and then double back to the east coast to camp at Elk Falls Park, on the Quinsam River, look at the falls and the John West dam.

And this, Macmurchie explains with compelling logic, you can do merely for the price of the food you eat and the gasoline you burn.

So we won't be going to California. We'll enjoy what Californians come up here to see.

U.S. Paratroops Rehearse Drive Into Compounds

By ROBERT B. TUCKMAN

KOJE ISLAND, Korea, June 9 (AP) — U.S. paratroopers used flame throwers, tanks and tear gas today in a second dress rehearsal for the imminent break-up of Koje's 17, prisoner-of-war compounds into smaller units.

Sullen Communists in bloody compound 76 watched the manoeuvre from the barbed-wire enclosure—criss-crossed by chest-high trenches they dug Sunday.

Dispersal of Koje's 80,000 unruly prisoners into more manageable 500-man compounds will be Brig-Gen. Haydon L. Boatner's main blow toward gaining uncontested control over the prisoner pens. Present stockades have prisoner populations up to 6,000.

Date for the start of "Operation Breakup" has not been announced. But its imminence was underscored by the second straight day of rehearsal and the setting up of loudspeakers in front of compound 76, which with adjoining compounds 77 and 78, probably will be divided first.

The three compounds are the most unruly on the island. Prisoners in each have dug trenches around buildings and tents. In compound 76—where the former camp commander, Brig-Gen. Francis Dodd, was held hostage 78 hours last month—there was feverish activity in the black smith shop.

MAKING WEAPONS

Allied officers speculated that the clinking and hammering of metal meant prisoners were fashioning crude weapons.

In today's manoeuvres two battalions in full combat dress stormed into an unoccupied stockade across the road from compound 76 and—herded imaginary prisoners into the centre of the enclosure for movement to new quarters.

Two tanks crunched a long concrete barracks as if it were paper. Then flame throwers went into action and sprayed the rubble.

Some Allied officers doubted that the prisoners will resist the move. Boatner has let it be known that he will meet maximum resistance with maximum force.

Boatner apparently will use only American troops for the dispersal of the first three compounds.

Drastic Method

TORQUAY, England (CP)—W. A. Sibby, president of the British Vegetarian Society, told a meeting that vegetarianism would be only a temporary solution to the world's increasing food problem. He jokingly remarked that cannibalism would attack the problem at both ends by providing food and decreasing the population.

He has available the equivalent of at least an infantry division drawn from troops of six countries, including Canada.

Engineers continued digging around compound 66 for possible escape tunnels but in four days have found no evidence of any. This compound is guarded jointly by a company of the Royal Canadian Regiment and British troops.

Brig-Gen. Edward Haviland Lastayo has arrived in Pusan to take over the second logistical command from Brig-Gen. Paul F. Yount.

The logistical command has under its jurisdiction the P.O.W. camp on Koje. Yount was reprimanded by the army after the kidnapping of Dodd for not detecting the implications in a letter written by Brig-Gen. Charles Colson to the P.O.W.'s to gain Dodd's release.

Colson, like Dodd, was reduced in rank to colonel.

Yount's new assignment was not disclosed but he had been scheduled for a routine transfer late this month to Washington.

Friendly Loans to \$1,000

If debts are piling up, don't wait, see your Niagara Counsellor right away. He'll help you select the friendly loan best suited to your needs, without delay or red tape. Four loan plans to choose from; loans up to \$1,000 are life-insured at no extra cost. Rates are moderate, repayments are geared to your budget. A private, friendly interview is yours for the asking. United Church's Small Fry Picnic

A peanut hunt and children's games highlighted the annual picnic of the Cradle Roll and Nursery Department of First United Church at Beacon Hill Park Saturday.

Ranging from the infant size to six-year-olds, 152 children attended, as well as 116 adults.

Mrs. William Wright, president of the cradle roll department, was in charge.

First United Church's annual congregational picnic will be held Sunday at Beaver Lake. There will be 33 events. Buses leave the church at 2 p.m.

3 Dead, 2 Missing in B.C.

VANCOUVER, June 9 (BUP)

Three persons were dead and two others were missing today following week-end mishaps in British Columbia.

Seventeen-year-old Ian Young of Vancouver died of a fractured skull following a car-truck collision in Coquitlam Sunday morning.

Fifty-year-old Frederick Musto of Vancouver drowned in Burrard Inlet, and near Spencer's Bridge, four-year-old Robert Wright drowned when he fell into a swimming pool.

Young died in New Westminster's Royal Columbian Hospital 10 hours after the car, he was driving collided with a heavy flat-deck truck on the Lake Cowichan road.

Musto drowned in a boating accident beneath the Second Narrows Bridge while a Vancouver marine engineer rescued his daughter.

Frederick Barabana, 47, and his son, William, 26, of Vancouver, were feared drowned after two fishermen towed their waterlogged 12-foot power boat into Fraser's Wharf. J. Easton and Iver Amiel, both of Vancouver, reported they found the craft.

HERE, THERE AND EVERYWHERE

Condensed from CP, AP, and UP Dispatches

IMMUNIZED—A vaccine which immunizes chickens against a disease causing heavy losses to poultry men was announced today for commercial use today in Auburn, Ala.

Alabama Polytechnic Institute scientists developed the inoculation against cecal coccosis, a severe diarrhoea through research which began in 1947. Dr. S. A. Edgar, poultry pathologist, headed the project.

Three-day-old chickens are given the vaccine and in 28 days they are completely immunized, the announcement said.

The A.P.I. release said the cost of treatment is low since only a small amount of vaccine is needed for young chicks.

The Auburn procedure does not retard the rate of growth, it was claimed.

IMPROVEMENT—In Vancouver continuous improvement in safety records in the logging and sawmill industry was noted today by the Workmen's Compensation Board in the annual presentation of certificates of merit to R.C. firms.

The board disclosed that: The rate of accident occurrence in the logging industry was 129 accidents per million man-hours worked, a reduction of 32.49 per cent since 1947 when the rate was 191.12.

CATTLE—In London the Ministry of Agriculture announced today two new outbreaks of foot-and-mouth disease which hit Britain.

The outbreaks in Cheshire and Hampshire, forced inspectors to slaughter 90 animals. The ministry now has slaughtered 24,794 cattle, 15,432 sheep, 9,775 pigs and 31 goats on a total of 418 farms. Compensation paid to farmers so far totals \$3,685,840.

PORTION—A German cabinet minister from Bonn told the Moral Rearmament World Assembly Sunday that every free country should give a portion of its budget to the work of M.R.A. The recommendation came from Heinrich Hellwege. He

underlined the contribution that Moral Rearmament is making to a United Europe and said the German party backs the Schuman plan and the alliances in Europe that are developing.

If these alliances are carried out, Hellwege said, "they will for all time end wars between France and Germany."

DEEP—Canada went deep into the red in its trade with Spain last year, but government officials said today that 1952 should show a marked improvement.

A bureau of statistics report showed that Spain sent \$7,100,000 worth of goods to Canada last year, while Canadian exports in return were valued at only \$742,000.

Sales of Spanish cotton goods alone last year accounted for \$2,500,000 of the over-all figure of Canadian imports from Spain. The nation also imported from Spain \$1,300,000 worth of olives, and \$1,200,000 worth of manufactures of cork.

GIFT—Queen Elizabeth will get a sarong this week from the Sultan of North Borneo.

The Sultan is visiting Britain. He brought along the Queen by Borneo women.

Although the Sultan is entitled by law to have four wives he has only one.

BELOW—The world's four major wheat-producing nations had approximately 746,400,000 bushels of the grain on hand today for carry-over or export.

The total supplies were 18 per cent below the 909,700,000 bushels of last year.

Canada's supplies were larger this year than in 1951, but there were sharp reductions in the stockpiles of the United States, Australia and Argentina. Canada had available 377,600,000 bushels compared with 275,800,000 last year; United States, 298,900,000 against 481,200,000 in 1951; Australia, 66,300,000 against 93,800,000; and Argentina, 3,600,000 against 58,900,000.

U.N. Prepared For Red Attack

SEOUL, Korea, June 9 (AP)—Gen. James A. Van Fleet said today the United States Eighth Army is ready, alert and fit to meet any Red offensive in Korea.

The commander of the United Nations forces said its morale is high—almost to a point of wishing the enemy would attack.

"The Eighth Army is ready, alert and fit to meet any offensive which the enemy may foolishly decide to launch," Van Fleet told a press conference. "That effort would be defeated."

The general said the Eighth Army's supplies, particularly ammunition, are in good condition.

He has said several times the Reds in Korea have built up their artillery until they have more guns available than the United Nations.

U.S. military authorities have estimated the Communist potential striking force is approximately 1,000,000 men, about 500 tanks and self-propelled guns, and 1,800 planes.

Ground and air action con-

tinued to pick up slightly on the western front today.

U.N. defenders again beat off Chinese who have been trying since Saturday to win back a hill position they lost west of Chorwon.

Four Allied patrols fought long actions Sunday night and Monday morning northwest of Yonchon, south of Chorwon.

U.S. air force and marine pilots concentrated on close support strikes Sunday night. Ten B-26s dropped bomb loads on Red troops and Red front-line installations.

BRAVE VILLAGERS

KUALA LUMPUR (CP)—Since the remote hamlet of Kampong Temenggor in the Malay jungle repulsed a band of Communist-led guerrillas, the Royal Air Force has regularly been flying supplies there. Every two months more than two tons of food and other articles are dropped by air.

Mossadegh Before World Court---

THE HAGUE, The Netherlands, June 9 (AP)—Premier Mohammed Mossadegh of Iran went before the World Court today and urged it to refuse to interfere in his country's dispute with Britain over the Anglo-Iranian Oil Company.

Opening Iran's case, he accused Britain of having made the Anglo-Iranian Company a "state within a state," with its own intelligence service operating throughout the country.

It was the first time in the post-war history of the International Court of Justice that the head of a state appeared in person to plead his country's case. Mossadegh's reputation for tearfully emotional debate filled the courtroom to capacity.

Britain contends that Iran's seizure of the \$1,000,000,000 oil company properties was a breach of international agreements. Iran contends that the nationalization of the A.I.O.C. properties 15 months ago was an internal affair and that the court has no competence to rule.

Mossadegh, 76, delivered what his aides described as a "political speech" as a preface to a 54-page government statement.

Britain claims Iran agreed in 1930 to submit treaty disputes to the International Court, and add that Britain views the Anglo-

Iranian oil concession agreement as a treaty.

Justice John E. Read, of Ontario, is a member of the International Court, which is sponsored by the United Nations.

Saanich Resident For 30 Years Dead

Mrs. Mary E. Thompson died Sunday at the home of her daughter, Mrs. Harold Thompson (Myra), Old West Road, Royal Oak, in her 87th year.

She was the widow of the late Elmer Thompson, of Manhattan, Kansas.

Mrs. Thompson, who taught school for many years at Coos Bay, Oregon, has lived in Saanich

for nearly 30 years. She was born in Kansas.

Besides her daughter, she leaves one son, Ellsworth, of Richmond, Calif.; six grandchildren, seven great-grandchildren and nieces and nephews in California and Kansas.

SERMON SERIES

Admission of Guilt Helps In Rehabilitation of Man

"This is the second in a series of four sermons delivered by the Rev. Morley J. Waters in First United Church. The sermons are designed to create the philosophy and methods of Alcoholics Anonymous in the whole range of man's shortcomings."

On the theme "Personal Housecleaning," the congregation of First United Church heard Rev. Waters deal with the steps four to seven in the methods employed by Alcoholics Anonymous.

The steps:

4. Make a searching and fearless moral inventory of ourselves.

5. Admit to God, to ourselves, and to another human being, the exact nature of our wrongs.

6. Be entirely ready to have God remove these weaknesses of character.

7. Humbly ask Him to wipe out these defects.

On the first point the minister stressed the ordinary human tendency always to begin with the other fellow when we attempt to reform the world. The parable of the note and the beam, as uttered by Jesus, illustrates the necessity for continual self-examination. Business men make regular inventories so that their business may be conducted properly and profitably. The same sensible plan should be applied to our personal life.

The havoc that fear causes in our relations with family and friends should make it obvious that personal shortcomings, rooted in fear, must be challenged—and often by a force stronger than ourselves.

Here is where the A.A. method of admitting our shortcomings proves its effectiveness. It is one thing to write out a personal inventory, with no one else looking. It is quite another thing to admit a wrong habit to a close and understanding friend, and to God.

This is a special frontier in the search for spiritual strength. Once having crossed it we have a sense of strength given by willing allies.

We cannot become perfect overnight. There is no discharge or demobilization in the battle of life. Each one is in it for the "duration" and each shall win the victory if he prays the prayer that truly seeks to bring His kingdom.

"Change the people in this world, O God, beginning with me."

PUBLIC INVITED

Everything is in readiness for the big Progressive Conservative Garden Party tomorrow afternoon at Queenswood House, the beautiful residence of Mr. and Mrs. John H. Kilgour, Arbutus Road, near Queenswood Drive, Cadboro Bay.

A half hour, 13c bus service has been arranged leaving the B.C. Electric Terminus, Pandora Avenue, from 2.30 to 4.30 p.m. inclusive. The party will be held from 3 to 6 p.m. All Vancouver Island residents and visitors are cordially invited to attend this festive event. General G. R. Pearkes and Herbert Anscomb will attend to meet the public and speak.

The Lost Market at Home

BETWEEN 1947 AND 1950 THE LIVE-stock producers of Canada lost a home market of 233,800,000 pounds, the Edmonton Journal calculates. In 1947 the per capita consumption of beef in Canada was 67.2 pounds. By 1950, the last year of public record, this figure had dropped to 50.5 pounds. And the only reason for this decrease was the increased price of beef, which the consumer could not pay.

The old rate of consumption will return overnight if the price of beef drops a little, since assuredly people want beef and will use all they can afford to buy. Yet with these mathematical facts confronting him, Mr. Gardiner announces that the present floor price of beef, maintained by government order and at the taxpayer's expense, has been extended for two months. Mr. Gardiner is simply determined that the Canadian consumer shall not get cheaper beef.

This, of course, is supposed to benefit the livestock producer, as it does, temporarily. But in the end it will benefit nobody. At some point the taxpayers, through parliament, will refuse to provide subsidies to maintain the price of beef which they, as consumers, must pay. Eventually the beef industry, like all others, must adjust itself to the laws of supply and demand.

Mr. Gardiner is presently attempting to dispose of our beef at cut-rate prices in a triangular deal involving Canada, Britain and New Zealand. As the Financial Post says, a reasonable drop in the price of beef, and a consequent rise in per capita consumption here to the former volume, could increase the total sale within Canada by 200,000,000 pounds a year, or five times as much as we hope to export to Britain under Mr. Gardiner's deal. The government, at Mr. Gardiner's instigation, refuses to do anything about the home market. It prefers to sell our beef abroad at a loss.

Mr. Gardiner calls himself an old-time, free-trade Liberal—in principle. In fact, he has become the strongest protectionist since the late Lord Bennett. He does not attempt, in the case of beef,

as he does in the case of butter, to keep foreign supplies out of Canada, but his beef policy has the familiar protectionist result of holding up prices and has no other purpose. As always, the consumer pays for such policies in high prices. And in the end the high-priced product prices itself out of the market, as the roast of beef already has priced itself to a large extent off the Canadian dinner table.

Mr. Gardiner argues that this distortion of Liberal principles is temporary, is designed to meet the foot-and-mouth disease emergency and the closing of the American market to our livestock. There is no assurance, however, that the American market will be reopened at an early date. The farm lobby in Congress, we may be sure, will try to extend the embargo as long as possible for precisely the same protectionist reasons as influence Mr. Gardiner here.

In other outside markets, like that of Britain, Canada must accept the going world price. It is only here in Canada that the government can force the consumer to pay any price it chooses, but it cannot force him to buy. He has reduced his buying and is not likely to increase it when the present floor is enforced, at his expense—a double expense, in beef prices and finally in taxes.

The theory underlying the Gardiner policy has nothing to do with economics. It is purely political. A vote in a farming region of Canada is equal roughly to two urban votes, because the rural constituencies contain fewer people than the cities. Mr. Gardiner thinks that he can win the double-valued rural vote by holding up the city consumer.

Recent federal by-elections do not indicate that this strategy is working very well. After all, the beef consumers also have votes, some millions of them.

Mr. Gardiner or even the government cannot be blamed alone for the price of beef. No political party so far has dared to say that the economic farce of the present high floor policy should be ended. All our politicians are terrified of the farm vote.

France Comes First

NEWS REPORTS TELLING OF THE arrest in Paris of Jacques Duclos, leader of the French Communist party, described how, as he was being led to a police van, he raised his chained wrists above his head and shouted to correspondents: "There is democracy, messieurs—admirer it!"

Such a scene and such a remark are the delight of Communist propagandists all over the world. But men of Duclos' stamp leave little alternative to strong methods on the part of long-suffering democratic governments.

The Red leader was charged with plotting against the national security. He was taken into custody when a blackjack and a loaded revolver were found in his car, after he had masterminded a riot in Paris that saw thousands of Communist marchers battling with clubs, bricks and iron bars against police. One man was killed and hundreds injured in the bloody fighting.

The Red demonstrations had been called as a protest against the arrival of General Ridgway as successor to General Eisenhower. The rioters, and the campaign of abuse that accompanied the disturbances, made full use of the discredited Communist claims that the United States is waging microbe warfare in Korea, NATO, as well as its new commander, came in for full attack.

The arrest of Duclos touched off Communist retaliation in the form of a general strike. Last Wednesday was to see the transport and industry of France hamstrung. On paper, the feat was well within the Communist ability. Duclos heads a party of some 600,000

Communists, probably the strongest in the western world. The party controls the General Confederation of Labor, with its three million members, and holds 103 seats in the 626-member National Assembly.

By mid-morning on the day of the strike, Communist papers told of factories idled and trains stalled. But reporters who visited the factories found almost normal shifts working. Only in one plant, an automobile factory near Paris, was there a shutdown. With few exceptions, trains throughout the country ran on time. The country's life proceeded normally, and the government estimated that less than 2 per cent of the nation's workers had answered the strike call.

It was generally agreed that this was the most outstanding Communist flop in years.

Much will be made of Duclos' imprisonment. He will be hailed as a martyr, as a victim of police brutality, a target for democratic vengeance, and much more.

But the fact remains that the average French worker appears to have thought over what Communism has to offer. He will take part in strikes that mean more pay in his weekly envelope, and use the Communists who take prominent parts in such walkouts.

But when it comes to protesting against the arrest of the leader of street gangs, who carries a gun to protect himself against Frenchmen, and who lays himself open to charges of treason—then the French worker—and his wife—refuse to go along. France comes first.

'The Little Kid Next Door'

TWO UNITED STATES HISTORIANS, both of whom received part of their education in Toronto, have warned their fellow Americans against the attitude taken by citizens south of the 49th Parallel to those north of that dividing line.

Merrill Denison says "Americans are endangering the harmony of our Canadian relationships by treating Canada like the little kid next door." J. B. Brebner comments that "the Canadians know all the worst in us, we do not even know the best in them."

There may be some merit in the reprimands these two United States historians have given to the American public. Certainly the criticism comes better from them than from resident Canadians. Yet it is doubtful if they present a very accurate picture of the relationship between the neighbors.

North Americans living north of the 49th Parallel are, in the main, patient enough to make allowances for some of the misconceptions held by those to the south. And although surveys indicate that a greater percentage of Canadians know more about the United States than do Americans about Canada, the people of this country still recognize the limited nature of their knowledge.

The danger to international harmony caused by the U.S. treating Canada "like the little kid next door" is not so much that Canadians may be enraged by the attitude, but that, viewing the American inclination more in sorrow than in anger, Canadians may grow too condescending.

The American press and the American radio, to say nothing of the American newsmen, have made Canadians fully conscious of such things as the political racketeering exposed by the Kefauver investigations, the chicanery of McCarthyism, the basketball betting scandals, the barren love life of Hollywood,

and a dozen other unhappy products of society made in the U.S.A.

Canadians know, too, the lumbering awkwardness of some ill-informed American politicians who guess maybe they ought to incorporate the 10 provinces in the Union.

Canadians are kept informed, moreover, of most foreign policy mistakes made by the United States and widely advertised by the United States.

But Canadians know far more than that. They appreciate the part the United States has played in Canadian development. They recognize the leadership their neighbors have given the free world, the guarantee they have provided that, in Roosevelt's words, the United States "will not stand idly by" if Canada is threatened.

They know the United States as a nation has picked up the chit for innumerable war-ravaged nations struggling for survival.

Above all, Canadians appreciate the big-hearted generosity of the country, the strong core of honesty in its outstanding statesmen and the inherent friendliness of its people.

Canadians are aware, too, of the respect with which Canadian opinion is treated by U.S. spokesmen in international realms.

Instances may arise which tend to irritate Canadians. They are scarcely serious enough to endanger the harmony between the two neighbors. If there are occasions when some Americans show a lack of tact in their attitude toward Canada, they are usually disciplined by their own people, or people like Mr. Denison and Mr. Brebner and by reputable United States newspapers.

It will come as a surprise to many in this country to hear that Americans are "treating Canada like the little kid next door." If some are, there will be little inclination here to build a high spite fence.

Chips Off The Old Brock

By DAVID BROCK

Brock

THE LONDON TIMES was quoting a Russian periodical called Odeskysye Novosti. . . I suppose that has something to do with Odessa News. This fearless Russian Journal has exposed, once and for all, the legend that British officers are any good. British officers, it says, are spoilt, capricious and blasé. Their incomes often run into tens of thousands of pounds a year, and they keep no track of their squanderings because they are incapable of even simple bookkeeping. This means their private wealth, of course. The three services hardly pay them "enough to keep them in perfume and gloves."

THE British officer does absolutely no work of any kind. He spends his days and nights in clubs of extraordinary magnificence and opulence. "He is usually occupied with two girl friends simultaneously, a lady of high society and a girl from the ballet or opera." "His uniforms are truly magnificent and cut to fit very tight." It is mainly because of these clothes that he enters the service. And as you have guessed, this lazy, woman-hunting, perfumed, tightly-clad millionaire is "the most ignorant officer in Europe from a professional point of view." How about another spot of perfume, you cads? One for the road.

AS THE TIMES points out, this news is highly encouraging. It means that Russia can't really fear the British military menace after all. Therefore there is no point in Russia's arming herself desperately to ward off a savage British attack. True. But as I think I pointed out in this column a short time ago, a Russian has to have his cake and eat it too, for otherwise he can't feel symmetrical. "You can't have things both ways" (as the conductor remarked to the man who wanted a return ticket). But if a Russian can't have things both ways, he feels some piece is suspiciously missing from the international jigsaw. Worse, he is subjected to unequal stresses. As he is fond of remarking, a bird can't fly on one wing, can it?

LOGANS AND SUCH

WANTING to be courteous in a letter to a MacGregor, who had done me several favors, I looked up a little of the history of Clan Gregor. I found their slogan (or war-cry) is: "Ard Chaille! Ard Chaille!" Which means "High Wood!" It was very fitting to drag this into my letter, because he had just given me several young oak trees which will one day give my grandchildren high wood indeed. Those trees, by the way, came from acorns grown on an oak which was planted on the Coronation Day of George VI. And its own acorn came from Windsor Great Park. I am very fond of sentiment like that, which gives a sense of continuity. Just as the Royal Family itself gives you that comfort.

WELL, besides having a slogan, the Clan Gregor also has a motto—or two, naturally. One of them is in Gaelic, and not translated in my book. It has something to do with being akin to kings. But another MacGregor motto is this: "E'en do and spare nocht." Which is to say: "Press on, regardless. Box on! Let's get cracking, chaps." And so on. I like that very well. It has encouraged me during two bad moments in the past week.

I also like the idea of having a family motto to live up to. This is not foolish pride at all. It is sensible pride. At one moment it can make you ashamed of yourself (which is useful), and at another moment it can make you proud to live up to a standard set by better men than yourself. And set by a group of men, a continuing group, which must inevitably be stronger than any individual can be, and which can give him strength from outside that he couldn't find unaided within himself.

We have all laughed at Highland pride now and then. But it is not entirely ridiculous. Oh, aye, families have had mottoes south of the Highlands. But where else is family tradition taken so seriously?

MORE MOTTOES

WHEN you vote on the drinks-by-the-glass plebiscite, three days from now, you had better adopt as your motto: "Abstinence" makes the heart grow fonder." Though this could mean two things. It could mean that the more Prohibition you have imposed upon you, the more your thoughts dwell morbidly on finding some way of getting a drink. Or, it could mean the less you spend on your own brutish appetites, the fonder your wife will become. I leave you to determine, on Election Day, which it should mean. Perhaps your wife can determine it for you, thus saving you and me the trouble. She could cut the motto out for you in fretwork, with the emphasis on fret. Another nice motto, to hang on the opposite side of the dining room and stimulate your digestion still deeper, would be: "Men Are Such Beasts."

SCIENCE MARCHES ON

TALKING of the liquor business, you will find on the shelves of your L.C.B. store a certain brand rye which is "red" rye. That is to say, it claims to be made wholly or mostly from rye. That's good news. Most Canadian rye, I understand, is made largely from corn and/or wheat. Whatever they think of next in this age of progress? Vanilla made from vanilla? Leather made from hides? Unblended Scotch? By gosh, the possibilities are endless. Right now, I bet you that, unknown chemists are working on ways to make ice cream out of cream, and cigarettes out of tobacco. The only trouble is, people may not like that. Look what they prefer in the way of bread, for instance.

DURABLE STUFF

IT WAS supposed to be very tough on the Wandering Jew, not being able to curl up and die when he felt like it. But look at the heroes of the comic strips. They're not allowed to die, because that would impoverish their creators. Yet they still manage to grin bravely.

Starting His Basic Training

CIVILIAN TRAINING CAMP

As Our Readers See It

WITH MEALS

If the revision of the liquor law is going to mean that drinks may be served with meals in restaurants, from which places juveniles and children cannot be debarred, the situation will then be even worse than with beer parlors, and citizens will be well advised to consider the matter in that light before casting their votes.

I have been in such places elsewhere and they are certainly not permeated with an atmosphere conducive to the welfare of youth. One or two drinks and people get verbose, noisy and irresponsible, no matter what the environment.

GEORGE STOKER.

211 Cook St.

PRICE OF EGGS

Is it not time an investigation was made in present-day prices of such foods as eggs, potatoes, milk, etc.? A few days ago I met a farmer from Allan, Sask., and was surprised when I was told eggs are selling at 12c a dozen by the farmer, while in B.C. they are 54c and, other prices over 50c. What a difference?

Then we find free enterprise potatoes in B.C. at 90c for 10 pounds, milk 24c, while 21c in Vancouver. Who's soaking whom? And why does our government sit pat and allow children and families to be stunted as they must be of these essential health foods.

Let us have competition, no fixing of prices by one-man boards or control over producers. It's time to change these one-man boards and time the people got some free enterprise, too.

L. J. WALSH.

1138 Palmer Road.

TOURIST LURE

One of the strongest arguments for the affirmative passage of the liquor plebiscite at the forthcoming provincial election, it must be admitted, is the unquestioned desire of all Victoria to develop the steadily growing tourist industry.

It is universally recognized that the tourist business is the life-blood of the city and the businessmen realize that everything possible must be done to maintain and foster this stream of tourist prosperity.

If this city, in line with the rest of this scenic province, wishes to continue to benefit by the annual tourist invasion from across the international border, it must at least make available to our visitors the privileges they expect as their right in their own country.

Money is being spent lavishly throughout Canada to attract and entertain our American cousins and no one will gain say the fact that the ever-pulsing influx is reflected in the city's payrolls.

Of what use is the publicity bureau's efforts to bring tourists here if we are not prepared to extend ourselves to the

limit to make their stay in our midst a pleasant and memorable one?

It is difficult for the tourist to find complaint with Victoria, but our American visitors, time and again, want to know why they cannot have their favorite drink served with their meals. They have no such restrictions in their own country and they are at a loss to understand the situation here.

I contend, and I have no doubt that the majority of public opinion is behind me in this respect, that the American tourist would be inclined to stay longer if his spending proclivities were not hampered by restrictive measures.

H. B. "BARNEY" OLSON.

EXPROPRIATION

In your leading editorial June 2 you maintain it to be a calamity for any government to have the power to seize anything at any time, on terms of its own choosing.

Wake up, Mr. Editor, this very thing has been in effect in British Columbia over a number of years. We were notified by registered letter that the government was taking 6.38 acres of our farm for the new highway and that no compensation would be allowed.

No mention of reimbursement of the purchase price nor of money paid out for somewhat burdensome taxes over the past 18 years.

Surely an act which gives the government such power cannot be tolerated in a land where British justice is supposed to be operative. Other such vicious laws have, through the years gone-by, been nullified.

Are there no longer any champions of the peoples' rights? The prevalent attitude of indifference to and lack of responsibility for such an appalling state of affairs is incredible in a democracy.

(Mrs.) WINIFRED COLLIS.

R.R. 2, Duncan.

UP THE SLEEVE

The Social Credit Party is making an all-out attack on the B.C. political battle field with a Bible in one hand and a self-adjusted halo on its head.

What the voters of B.C. want to know is: What has it got up its sleeve?

The answer is that if, and when enough provinces are converted to the mild theories now being propounded, the soft peddled "funny money" theory will be put into effect.

As one Sacred candidate said: "We can begin to talk tough to Ottawa," not adding, but implying that Ottawa will then have to talk back with a Social Credit accent.

Let us all respect the Bible, but let us keep an eye on what is up the sleeve and, if we must be biblical, let us remember that our Lord said, "Throw the money-changers out of the temple."

DONALD H. SEYMOUR.

Saucers

Edmonton Journal

An American scientist has entered the flying saucer argument with a new suggestion—that mirages account for those sightings which cannot be explained as weather balloons, kites, reflections on clouds, normal meteorites, or what have you. Moreover, he tells how the ordinary person can produce home-made mirages using a sink full of water, a candle and a cardboard box.

This sounds very interesting and it may set some minds at rest on the matter. But not too many, we suspect, for such a plain explanation, however well-founded in science, is not nearly as intriguing as the mystery.

Hospital Insurance

B.C.H.I.S. COSTS LESS

Here are the latest figures obtainable on hospital insurance.

The population of B.C. is 1,165,210. The B.C.H.I.S. was put into force in 1948. Since that time over half a million persons have been hospitalized as follows:

1948-1949	180,598
1949-1950	191,236
1950-1951	198,381

These figures speak for themselves. They do not, however, include the 1951-1952 figures to date which, it is safe to assume, average as above—or higher.

With regard to "private companies," it is important to know that countless thousands of people would not be eligible for sickness and accident insurance on medical grounds alone. Reputable and well-established private companies do not insure people over the age of 60.

Where then, would the "over 60 group" come in? They are the ones who, in the majority of cases, are unable to earn money to pay their bills.

The cost of premiums would be prohibitive. The cost with a private company, to insure a husband, wife and one child—that is, assuming they are acceptable on medical grounds—is \$87.90, with extra premium for each child. This would pay only \$12 per day for a stated period only.

If, however, there is a history of diabetes, tuberculosis, kidney trouble, heart disease, goitre and many other diseases, the applicant is uninsurable with a private company. The cost for a married man, with any number of dependents under B.C.H.I.S. is \$42.

In addition to hospital care with B.C.H.I.S., a patient receives free medicines, X-ray and physiotherapy treatments, etc.

The cost of a hospital bed in a ward in the Jubilee Hospital is now \$14.75 per day. The most any private company pays is \$12 per day and this is good for a stated period only. How then, can you compare the services of a "private company," assuming that you are eligible, with B.C.H.I.S., even with its many shortcomings?

I am not excusing the fact that owing to maladministration, waste, particularly over-staffing and duplication of work in B.C.H.I.S. offices, that the costs have been colossal. Nevertheless, without B.C.H.I.S. there would certainly be chaos both for patients and hospitals alike, as may readily be seen from study of the foregoing facts and figures.

D. S. ASHDOWN.

Vancouver, B.C.

REPORT WANTED

I notice by your press that all candidates are trying to solve the hospital insurance plan, some by abolition of co-insurance, others by making it non-compulsory. No candidate has as yet asked Mr. Johnson why at this time the public have not had the report of the hospital insurance investigation placed before them to enlighten them on the matter. After all the expense incurred in making the investigation, the public should now be told the real facts and the recommendations of the inquiry board.

Personally, I am of opinion we have not got a hospital insurance scheme, but a glorified fund for building hospitals and additions to them, and for subsidizing hospitals.

Why should the public's premiums be utilized for such a purpose? No insurance company or private company could, or would, be in a position to subsidize hospitals on the premiums they received, if they did they would soon go broke. In my opinion, it is the financing of hospitals and construction of them that has the hospital insurance in the red.

I trust before election day that the hospital investigation report will be disclosed to the public. They are entitled to hear about it now.

Ups and Downs

By BRIAN TORIN

"NATURE'S cycle," said the Elevator Man, "is a great institution. It's only when some human pedestrian gets in the way that she falls off it. She seems to have everything in balance—everything but man. He's the misfit who gums up the works. And it looks like

the reason is, he's the only one who kills for fun or for anger and not just for food. All the animals, insects, birds and reptiles prey on each other. Each is the nourishment for something bigger, speedier or stronger. So the number of victims is always governed by the number of hungry victors. Also, the number of victors is governed by the number of victims there are to feed them. More worms mean more robins, which means more robins. It's a very simple. Just like alternative voting. Going down! (Gulp.)

"But," said the Elevator Man, "along comes man, with his guns, his cars, his DDT, his fishnets and so on. If he just killed all he could eat things wouldn't be so bad. But he kills more. He stacks up the bodies, encourages some species, wipes out others. And he doesn't just prey on the things he eats. He jumps several steps down the scale and starts monkeying with other creatures' food. The result is chaos, like a bull in a Red China shop. With so many rungs of the ladder missing, Creation is always slipping and falling. Man is an unruly hecker at Nature's otherwise orderly meeting. And it seems to be the bouncer's night off. Lower main!

"Fortunately," said the Elevator Man, "Nature is pretty prolific. She usually tries to allow for a lot of wastage in the struggle for survival. Thus you get stories like that one about the two rabbits. They were being chased by dogs and tried to run through a culvert, but some of the dogs hurried around to the other end and trapped them. 'Oh, well,' says one rabbit to the other. 'I suppose we'll just have to stay in here for a while until we outnumber them.'"

Torin

Japan Brands As False Russian Offer to Repatriate Prisoners

TOKYO, June 9 (AP)—A report that Russia will repatriate 182,000 Japanese prisoners "if Japan concludes a separate peace treaty with Russia" was written off today by the foreign office as "just more Soviet propaganda."

The report was received in a message from Hong Kong signed by Mrs. Tomi Kora, a Japanese member of parliament who last week signed in Peiping a "people's trade agreement" with Red China. The Japanese government has termed the pact worthless.

The American-educated woman messaged Komakihi Matsuoaka, right-wing Socialist leader: "We have received reliable information the Soviet government would propose repatriation of 182,000 Japanese prisoners held in Russia if Japan concludes a separate peace with the Soviet."

A foreign office spokesman commented: "This is just more Soviet propaganda. The Soviet Union would not hesitate to say it will repatriate 1,000,000 prisoners if Japan abrogates the U.S.-Japan security pact."

A spokesman for the government repatriation board said the Russian news agency "Tass" on April 22, 1950, reported that only 2,467 Second World War Japanese prisoners are held in Russia.

WEATHER SYNOPSIS

VICTORIA'S SUNSHINE
RECORDED TO DATE, 1952—
826.8 HOURS

SYNOPSIS: A current of moist air from the Pacific is bringing cloud to most parts of B.C. today but there will be some sunshine in most districts this afternoon. Temperatures will be a little lower in the Interior today.

Tuesday will again be sunny and warm in most parts of the province.

**REGIONAL FORECASTS
VALID UNTIL MIDNIGHT
TUESDAY**

VICTORIA—Sunny Tuesday. Little change in temperature. Wind light. Low tonight and high Tuesday, 48 and 67.

WEST COAST—Sunny Tuesday. Little change in temperature. Winds northwest 15. Low tonight and high Tuesday at Estevan Point, 47 and 57.

VANCOUVER AND GEORGIA STRAIT—Sunny Tuesday. Little change in temperature. Winds light. Low tonight and high Tuesday at Vancouver Airport, 48 and 62. At Abbotford, 42 and 70; Nanaimo, 48 and 70.

Taft, Ike Down To Buttonholing

WASHINGTON, June 9 (AP).—With only four weeks left, Senator Robert A. Taft, of Ohio, and General Dwight D. Eisenhower are down to the button-holing stage in their drives to win the Republican presidential nomination at the national convention opening in Chicago July 7.

That means ardent wooing of 341 delegates who hold the balance of power. They are the 130 Republican delegates thus far chosen who are committed to other candidates on the first ballots, and the 211 who are uncommitted or are in dispute.

Eisenhower took the offensive Sunday in a key sector—he had a three-hour chat with Governor John S. Fine, of Pennsylvania. Of the state's 70 regular delegates, 20 have been reported favorable to Eisenhower, 18 to Taft, and 32 are officially uncommitted. These last may take their cue from Fine.

After the conference, Fine told reporters he would not influence the views of delegates; that his own mind was still open toward the candidates.

The latest Associated Press tabulation of Republican delegates listed 462 for Taft and 390 for Eisenhower. Nomination requires 604 votes.

Little action was scheduled in the Democratic race this week.

The present A.P. tabulation of Democratic delegates lists 246 for Senator Estes Kefauver, of Tennessee, 86½ for Senator Richard B. Russell, of Georgia; 85½ for mutual security administrator W. Averell Harriman; 415 unknown, and others divided among a dozen candidates. Nomination requires 616 votes.

Three Face Trial On Charge of Rape

FORT WILLIAM, June 9 (CP).—Three young hockey players were committed for trial Saturday on a joint charge of raping a 17-year-old Fort William girl after a going-away party for some members of a Fort Arthur junior hockey team.

The three, Nicholas Hill, 20, Winnipeg; William Matthew, 20, Rainy River and Robert Southern, 23, Port Arthur, are scheduled to stand trial in Supreme Court in September. They were placed in custody pending application for bail.

The girl testified she was raped in an automobile near her home here March 22.

MISSING \$670 IN DOGHOUSE

CAMDEN, N.J., June 9 (UP).—Yankee, a cocker spaniel, should be in the doghouse today, but he isn't.

While spring cleaning Sunday, Mrs. Sarah Mole found \$670 wrapped in Christmas paper and tied with a string in Yankee's kennel. She was so glad to find the money, which had been missing since last December 19, that she decided not to take action against the "thief."

'World Needs France,' Says Canadian Ambassador Vanier

CAHORS, France, June 9 (BUP).—Maj.-Gen. George P. Vanier, Canadian ambassador to France, flew back to Paris today after attending a special mass celebrated in memory of those who fell in two world wars.

Vanier presided Sunday over the regional congress of war veterans and was greeted by the prefect of the department and other dignitaries.

"The world needs France, but

it must help her to defend herself. Happily the Allied political and military chiefs understand that Europe's defense must be made east of the Rhine River.

"France does not want to have to be 'liberated' again, and it is the sacred task of all civilized nations to swear that they never will allow France to be occupied again."

Later, at a banquet, he recalled the comradeship of French and Canadian soldiers and said:

HIS OPINION OF MEN PRETTY LOW

HAVERHILL, Mass., June 9 (UP).—Bradford Junior College girls heard a clergyman complain Sunday that young women don't care today "what kind of a man they get as long as they get one."

"I assure you that you rate men far, far too highly for their own deserts," the Rev. Paul A. Wolfe of the Brick Presbyterian Church of New York said in a baccalaureate sermon. "They aren't worth it."

Tug Master's Body Found Weeks After Disappearance

VANCOUVER, June 8 (CP).—The body of a tugboat captain who vanished from his vessel nearly a month ago was recovered Saturday night from the Fraser River near Lulu Island.

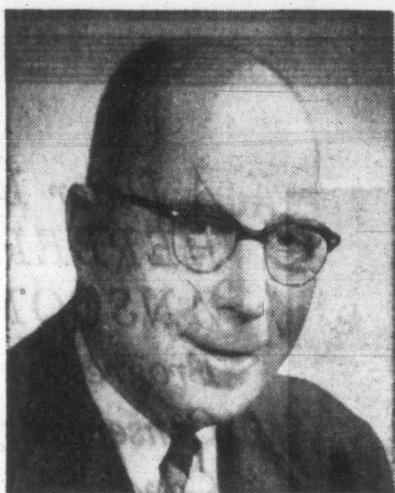

The body of 27-year-old Cecil Moss, of Quathliski Cove, B.C., was sighted floating down the river and was recovered by Jack Laurie of the tug Chugaway.

Moss is believed to have fallen overboard from his vessel May 19 after he had been relieved in the

wheelhouse by Edward Nowes, a 15-year-old deckhand. Nowes piloted the craft for five miles down the river before he was aware his skipper was lost. Moss is believed to have fallen overboard about 11 p.m.

OFFER ACCEPTED
An offer from the provincial government to pay \$6,840 toward a \$10,000 rebuilding job on Elliott Street, between Government and Douglas, has been accepted by City Council's public works committee.

NO OTHER PARTY CAN MATCH THIS TEAM OF EXPERIENCED ADMINISTRATORS!

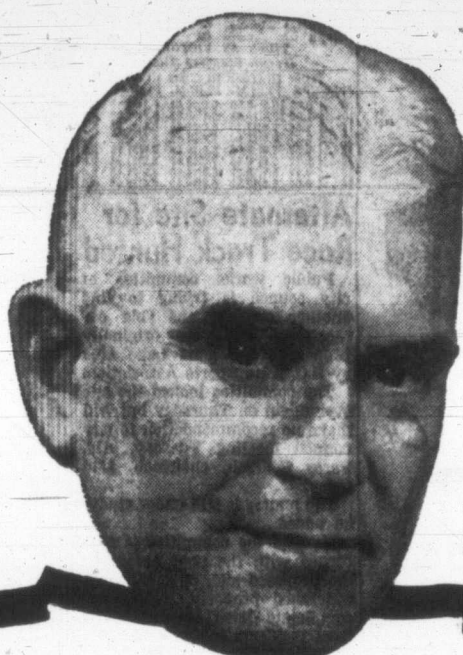

Attorney-General Gordon S. Wismer, Q.C. He won for B.C. the final legal victory in the Freight Rates case. A great humanitarian with the interest of the unfortunate uppermost in his mind.

Hon. W. T. Straith, Provincial Secretary and Minister of Education. His policies on education and school construction assistance are the envy of all Canada.

Hon. A. Douglas Turnbull, Minister of Health. His supervision of Social Assistance, Social Security, Health, Hospitals and Pensions is a record of achievement and success.

The Leader—BYRON I. JOHNSON

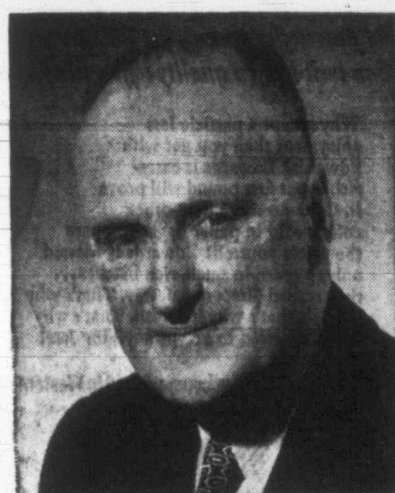

In the challenging years ahead only the **LIBERAL PARTY** can ensure experienced, capable and progressive government.

The record speaks for itself:

- In education, social services, hospitalization—in all fields of health service—in pensions to the needy, the sick, the unemployable, the aged, widows and fatherless—in all these great humanitarian services B.C. leads all Canada.
- In wage rates per hour, day, week and month—conditions of employment—length of work week—the I.C.A. Act and the W.C.B. Act—all the most progressive in Canada.
- In industrial output, the increase in basic industry—lumbering, fishing, mining, agriculture and manufacturing services—our development is tremendous, and will continue on this scale under sound Liberal administration.
- Admitted to be the only Party that can obtain an overall majority . . . for stable one-party government Vote Liberal.

ONLY THE LIBERALS CAN WIN!

Inserted by the B.C. Liberal Association

Hon. E. T. Kenney, Minister of Lands. Directly responsible for B.C.'s tremendous recent industrial expansion, and with it, greater employment and higher wages.

Hon. Harry Bowman, Minister of Agriculture. Under his guidance modern techniques and more productive methods have added to farm incomes.

Hon. Nancy Hodges, Speaker of the House. The only woman in the world to hold such a responsible job and recognized as a tower of strength in the Councils of Government.

vote LIBERAL

TENNESSEE WOMAN BEARS FIFTH SET OF TWINS; FAMILY OF 16

JOHNSON CITY, Tenn., June 9 (UPI)—Mrs. Frank Alquette was not excited today as she looked at Jack and Jill, her newborn twins. It's her fifth set of twins.

Mrs. Alquette, 35, and her husband have been married 15 years. They now have 16 children.

IT'S THE HUMIDITY

LONDON (CP).—Research workers looking for ways to ease the wash-day burden believe the steamy warmth over the wash-

tub may tire housewives more than the physical effort. They recommended that doors and windows be left open where possible.

No Excuse

NEWCASTLE, England (CP).—Mr. Justice Stable said he couldn't listen to "such nonsense" when a probation officer said a man pleading guilty to armed robbery was interested in opera and ballet. Sentencing the offender to two years, he asked: "Did his interest in opera and ballet encourage him to strike a sleeping watchman over the head with a heavy jack-knife?"

Victoria Daily Times MONDAY, JUNE 9, 1952

PRAIRIE ROUND-UP

Polish Immigrant Sentenced to Hang

EDMONTON, June 8 (CP).—Kaspar Gorczak, 34-year-old Polish immigrant, was convicted Saturday by a supreme court jury of the New Year's Day knife-murder here of his estranged wife, Staffy. Mr. Justice Hugh John Macdonald sentenced him to be hanged August 26.

It was the second time that Gorczak, a cafe proprietor at Wainham in Alberta's northern Peace River country, was convicted of the charge. He was sentenced last March to be hanged June 17 but the appeal court quashed the conviction and ordered a new trial.

Saturday's verdict came after the jury had been out for slightly more than two one-half hours. The jury last March deliberated only 26 minutes.

Evidence in the six-day trial told of Gorczak's repeated and unsuccessful attempts at reconciliation with his wife, which ended with her being stabbed eight times on the street outside her Edmonton residence. Gorczak, carrying the couple's infant son, then went to police headquarters and admitted the slaying.

Boating Fatality

WHITEMOUTH, Man., June 9 (BUP).—A late evening boating trip on the waters of Betula Bay in the Whiteshell forest reserve ended Saturday night in death of a Winnipeg man.

Nicolas Boychuk, 34, was thrown into the lake, along with four other occupants, when the boat in which they were riding capsized.

Mrs. Boychuk, Mr. and Mrs. John McEllis and a young boy, Metro Kuculyn, were rescued by a passing boat and brought to shore.

The body of Nicolas Boychuk was recovered Sunday morning.

Return to Work

MOOSE JAW, Sask., June 9 (BUP).—Some 300 plumbers, welders and pipefitters were back on the job in Moose Jaw today after four days of idleness as the workers observed picket lines thrown up by striking carpenters in the city.

Weak From Food Lack, Sea Scientists Signal Passing Ship From Rubber Dinghy for Succor

MARSEILLE, France, June 9 (Reuters).—A two-man scientific expedition, that set out to brave the Atlantic in a rubber dinghy without provisions, signalled a passing ship for food Saturday. Reports reaching here Sunday said the pair, French scientist Dr. Alain Bombard, 27, and Panama-born Briton Jack Palmer, 38, were starving after two weeks afloat in the Mediterranean.

They signalled the steamer Sidi-Ferruch with rockets off the Balearic Islands. When the ship pulled alongside the dinghy, christened the Heretique, the two said they had been unable to catch enough fish and were hungry.

The ship's captain ordered a

sack containing canned milk and meat, biscuits and bottles of water to be lowered to them.

Bombard and Palmer refused an offer to return to Marseille and continued southward toward Gibraltar.

The Sidi-Ferruch crew said Bombard was in good shape but Palmer appeared unwell. They had estimated it would

take about two weeks to reach Gibraltar and another two or three months to cross the Atlantic to Cuba, their final destination.

NANAIMO'S BIG COMEBACK

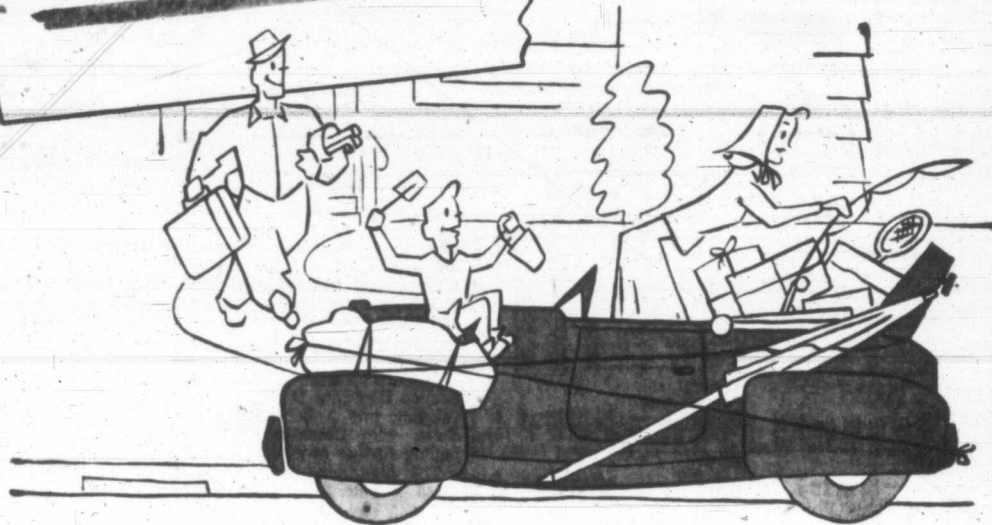

THE FEATURE STORY IN THE

STAR WEEKLY

JUNE 14th ISSUE

Distributed by Lovick's News Agency

We're off on a CAREFREE VACATION

... and we bought it at the B of M

This summer, a lot of B of M customers are going to say just that. They'll have paid in advance for their holiday good times—through their "Sunshine Accounts". They'll be carrying their money safely—in B of M Travellers Cheques. And just as safe will be their valuable papers and jewelry—in the steel-strong care of a B of M Safety Deposit Box. As these wise folks say: "You can get a lot of peace of mind in one package—at the B of M!"

HERE'S A REMINDER!

See how these B of M services can mean a happier holiday for you:

SUNSHINE ACCOUNTS: Even though summer's just around the corner, you can enjoy something extra in the way of a holiday this year... if your vacation is still two or three months off—and if you begin plan-saving right away. You can do it—with Personal Planning. A new, stimulating and practical way of managing your money. Pick up your copy of "Personal Planning" today—when you open your "Sunshine Account" at your neighborhood B of M! You'll save more, worry less. And next year... the holiday of your dreams!

TRAVELLERS CHEQUES: Experienced travellers value the safety and convenience of B of M Travellers Cheques. They're inexpensive, easy to buy, and can be cashed at any bank and most hotels and stores throughout Canada. Safe? Very—you sign your cheques on

purchase and again on cashing them, for comparison, right in the presence of the person cashing them for you. Thus, they cannot benefit anyone else. Special cheques are available for the United States and overseas.

SAFETY DEPOSIT BOXES: Burglars work when others relax—and fires can happen anytime. Which means that, for a really carefree holiday, you need to make sure that the things you can't afford to lose are safe while you're away... in a B of M Safety Deposit Box. The cost is very small—less than ten cents a week for a worry-free vacation and permanent protection for your valuables.

For year-round—as well as holiday—service, you can't beat Canada's First Bank. Drop into your neighborhood branch for helpful banking service!

MEMBER, THE ORDER OF THE GOLDEN RULE

Tyees Run Base Paths Ragged

Continuing to dazzle their opponents with speed on the bases, Victoria Tyees lengthened their W.L.L. lead Saturday by taking a double-header from the Lewiston Broncos. Here shortstop Jim Clark slides home in a cloud of dust in the third inning of the afternoon game, won by the Tyees 8-2. Clark singled, went to second on a

sacrifice, and scored from second on a blooper double on the left field line by Cec Garriott. Clark scores while Bronco catcher Jake Helmuth gropes for the ball, lower left, and umpire Mickey Hannick prepares to signal Clark safe. (See story page 9.)

Bosox Lead In A.L.; Yankees Take Second

ARCHIE WILSON TRADED TO BOSOX FOR KEN WOOD

WASHINGTON, June 9 (AP)—Washington Senators today traded outfielder Archie Wilson for outfielder Ken Wood of Boston Red Sox in a straight player swap.

In announcing the swap, Clark Griffith, president of the Senators, said no money was involved.

Wilson, now batting .228 (formerly of the Victoria Athletics of the W.L.L.), came to the Senators May 3. He was included in a five-for-one swap the Senators made with New York Yankees in trading off center-fielder Irv Noren.

Brooks Take Pair to Boost Margin

Oh, those bases on balls! Boston's Red Sox were the new occupants of first place in the American League today. The New York Yankees jumped from third to second and Cleveland nosedived from first to third. All three clubs could charge it to the pitchers' pet peeve—the free ticket to first.

Fleming, Bob Morrison Share Lead in City Golf

McColl, Robertson Single Stroke Back in Field of 75

Defending champion Bob Fleming and veteran Bob Morrison shared the lead at the halfway mark of the 72-hole city golf championship with 36-hole scores of 144.

TYEES BOOST ATTENDANCE TO 35,379

Attendance at Victoria Tyees' home games continues to show a healthy increase over last year.

With 4,500 fans at Saturday's double bill with Lewiston Bronces, the Tyees now have played to 35,379 customers in 21 games.

This is an increase of 12,111 over last year's total of 23,268 for the same number of games.

Incogs Nip Five C's in Exciting Match

A sensational stand by young Ray Calton of University Incogs tumbled Five C's from the undefeated ranks in Victoria and District Cricket Association action Sunday as Incogs won a suspense-filled match 91-85 at Beacon Hill Park.

Five C's batted up a first-inning total of 85 with George Payne and Tom McKeachie accounting for 39 and 19 runs, respectively, in a second wicket partnership.

Jim Sherratt of Incogs took seven Five C wickets for only 36 runs.

Calton and Dave McKenzie, also batting in a second wicket stand, batted up 49 and 18 runs with Calton staying in for almost the entire game.

Payne came in to bowl for Five C's and took four wickets on four balls, including Calton. Payne finished his stint with seven wickets for 33 runs.

After Calton had been retired, Russ Challenor batted in the winning run.

On Saturday Cowichan defeated Albion 94-73, while Alcoa whipped Oak Bay 83-71.

Thomas Tosses No-Hitter for Tyees' Benefit

With Jehosie Heard and Granny Gladstone of the Victoria Tyees present as special guests, players in the Victoria Minor Baseball Association, put their best feet forward Sunday at Macdonald Park.

R. Thomas of Saanich's juvenile squad gave the guests their biggest thrill as he tossed a no-hitter to give Saanich a 19-4 victory over Combines.

Other juvenile scores were Oak Bay 7, Esquimalt 6 and Fairfield 11, Eagles 4.

In midweek games Eagles edged James Bay 7-6, Oak Bay thumped Esquimalt 15-3 and Saanich whipped City Centre 22-10.

Heard and Gladstone visited every game, saying hello to the players and giving a short coaching class. They were reported to be greatly impressed with the baseball ability shown by the youngsters.

Oaks' Bobbles Prove Costly

Ten errors were too big a handicap to make up for Saturday as Oak Bay Oaks lost their third straight Senior Amateur Baseball League game, this one to Harbour Cycles 10-9.

Gerry Sylvester went the distance for the winning Cycles and gave up only six hits. His mate took full advantage of the Oaks' miscues and plated the winning run in the ninth inning. Walt Pederson hit a two-run homer for Oak Bay in the sixth inning.

OLYMPIC 5,000 METRE THREAT

Fisher Cracks Mark; 'Y' Relay Team Wins

Al Fisher, of Rossland, established himself as a threat for the 5,000-metre Olympic berth Saturday at the fourth annual running of the Vancouver relays.

Running under the colors of Washington State College, the skinny Fisher set a grinding pace to clip 7.4 seconds off the Canadian mark.

Fisher was clocked at 15 minutes 16.2 seconds. The old mark was held by Cliff Salmon of Victoria. Salmon kept up with Fisher for seven of the 12 laps but Fisher pulled away with a finishing burst.

Alice Folz and Gerry Bemister, both of Vancouver, broke Canadian records but their marks will not be officially recognized as they were running with the wind behind them.

Miss Folz shattered the Canadian mark in the 80 metre hurdles, clipping 2-10 of a second off the old standard with her brilliant time of 11.7 seconds.

Miss Bemister turned in a great 12 second flat in the 100 metres to tie a record that has stood since 1928.

Bill Parnell, of the Victoria "Y," erased a 15-year deficit on the last turn to win the 1,500 metres in 4:03.3, 8.5 seconds over the Canadian record.

Victoria Y.M.C.A. set a new meet record in the distance medley relay with a time of 10:42.2. The team was composed of Joe Isherwood on the 880 opening lap, Bob Hutchison on the 440, Bill Parnell in the three-quarter mile lap and Phil Matson anchoring in the mile.

Victoria "Y" also won the

Salmonacs Again Tied With Irish

Thursday is the most important day in the week for Victoria Shamrocks of the Intercity Lacrosse League.

That's the day the Irish invade the sanctuary of Queen's Park which New Westminster Salmonacs call home and the league lead will probably hinge on the result.

Salmonacs barged their way back into a tie with the Rocks Saturday night humiliating Na-

naimo Native Sons, 12-6, with a six-goal, third-period attack climaxing the rout.

Nanaimo led 2-1 at the end of the first period but trailed at the half, 5-3.

Art Green, Jack Thompson and Mel Davidson of Paul Bay's senior "B" lacrosse team played for the Sons. Green had one assist.

Rocks are at home to the Sons Wednesday night while Salmonacs meet North Shore Indians Friday. On Tuesday, Indians play Vancouver.

FIVE WINNERS

TORONTO, June 9 (CP)—Ted Johnson, a western Canada jockey, rode five winners Saturday at Thorncliffe race track while some 20,000 opening-day fans bet \$513,000.

Gasmen Win Again

Seventh Straight Loss for Students

The Senior A Men's Softball League schedule has just about reached the halfway point, and from all appearances Pitzer and Nex are going to clinch first place long before the schedule runs out.

On Sunday afternoon at Central Park, the Gasmen made it six wins in a row by shutting out Chinese Students 3-0 behind Barry Jackson.

Victory gave them a commanding three and one-half game lead over Forest Products and Butlers Aces who are tied for second place.

Students are in the cellar. In losing the Students managed to fare better than other teams recently in holding the heavy hitting P. & N. in check. Manager, coach Gar Taylor made his second appearance on the mound when he relieved left-handed Jimmy Chan in the second after Chan had trouble finding the plate.

The Gasmen scored one run in the top of the first inning off Chan and Taylor matched Jackson pitch for pitch until the seventh inning when the winners picked up their final two runs.

LACK OF PUNCH Chinese Students are still looking for that punch that wins ball games. In Sunday's game they threatened but once. That was in the first inning when Don Robinson and Jimmy John both singled after one was out. Both runners were left stranded.

The Gasmen outlived the Students 8-7, but the walks given up by Chan and Taylor, plus two errors by Bung Derr at third base led to their downfall.

Students get another chance to break their seven-game losing streak tonight at Central Park when they meet Forest Products. Game time is 6:30.

Short score follows:

Pitzer & Nex 100 000 200 3 8 2
Chinese Students 000 000 0 0 1 7
Jackson and Wilson Chan Taylor 12
and G. Chow

Esquimalt, Saanich Share Boxla Lead

Saanich and Esquimalt are tied for the leadership of the pee-wee boxla division as a result of Saanich's 6-4 victory over Esquimalt Saturday.

Fairfield edged Fernwood 5-4 in other pee-wee action, while in the bantam section Fernwood whipped Fairfield 15-4 and Oak Bay nipped Saanich 5-4.

Goal scorers follow:
Saanich Peewee-Barry Waters (2), Tom Collett, Rod Skilling Jim Gairbairn, Glen Robbins
Esquimalt-New Walker (2), Bob Roberts, Ron Smith
Fairfield-Brian O'Hare (2), Leslie Bryce, "D" Westcott
Fernwood-Barry Saunders, Al Hayton (2), Dave Randall
Fernwood-Bantams-Ed Kowalyk (3), Sandy Caldwell (4), Dallas Langford, Tom Evans (4), Ken Watson (2), Red Watson, Fairfield-George Bryce (2), Bob McKee (2)
Oak Bay-Bernie Johnson (2), Jack Wilson, Harvey Barker, Fred Taylor, Saanich-Bob Fairclough (2), Norm Gallant, L. Phillips

Manchester United Receive Scare

LOS ANGELES, June 9 (AP)—The Manchester United soccer team of England scored a 4-3 victory over the Atlas A.C. from Guadalajara, Sunday despite a last 20-minute two-goal rally paced by Latin Edwin Cuiro.

Some 12,000 fans watched Cuiro nearly tie the game in the final minutes and show form that rated him with England's Stan Pearson, outstanding international star.

German Boxer Barred for Life

COLOGNE, June 9 (AP)—Peter Mueller, 24, former German middleweight champion, Sunday was banned from the ring for life after knocking down the referee in a championship bout Saturday night.

Mueller, who also tried to knock out the trainer of his winning opponent, champion Hans Stretz, was barred by the League of German Professional Boxers.

DOUGLAS TOPS ARDMORE TO POCKET \$5,400 PRIZE

ARDMORE, Okla., June 9 (AP)—Dave Douglas of Nework, Del., won the biggest chunk of money in his professional links career Sunday by annexing the \$15,000 Ardmore Open Golf Tournament with a one-under-par total of 279.

Douglas beat E. J. (Dutch) Harrison, the host professional at Dornick Hills Country Club, by two strokes to win \$5,400 top prize money.

Douglas almost blew his chances to gain the prize money when he shot a six on the par-four 10th hole. He rallied, however, to finish even par for the last eight holes with a 20-foot birdie two on the 17th and a safely-played par five on the 18th.

MEET CAPS TONIGHT

Tyees Retain Four-Game Edge

Victoria Tyees' left-handed foursome of Cal McIrvine, Jehosie Heard, Eric Gard and Ben Lorino are not only going the route these days, but they are undercutting the concession business as the Tyee masthead continues to flutter at the head of the W.I.L. parade.

Tonight at Vancouver it will be Lorino against the Vancouver Caps as the club hits the road for eight games before returning home a week tonight against Tri-City.

Saturday, McIrvine and Heard followed Gard's Friday night five-hit triumph over Lewiston Bronces with two pitching gems that rocketed the Tyees back into a four-game lead over the runner-up Spokane Indians, a margin that remained stationary over the week-end as Spokane split with Lewiston Sunday, winning 7-2 and losing 4-0.

McIrvine gave up two home runs to Lewiston shortstop Milt Smith in his 8-2, six-hit victory in the afternoon. Heard let the Bronces down with five blows, including a home run by catcher Don Lundberg, in the 4-2 triumph under the arcs.

FAST GAMES But more to the point is the fact that the games were ripped off in quick order. The afternoon game took one hour and 51 minutes and the night game only one hour and 37 minutes, the latter being the fastest game of the year.

Of the "Big Four," Gard having replaced Jim Probst in the grouping, only Lorino has failed to go the distance over the past three weeks. He has been relieved twice. Between them they have started 21 games and still been around at the finish of 19 during which time they won 17.

McIrvine has won five and lost one; a 7-0 shutout to John Marshall of Spokane.

Heard has scored five victories and lost two; one a 1-0 shutout to Salem, the other a decision to Salem in relief.

Gard has won four straight, while Lorino has won three and lost two. Bill Wisneski started the other two games, being charged with one loss, Jim Probst getting the other defeat in relief.

McIrvine's sixth straight distance-going effort, and seventh victory of the season, Saturday found the Tyees routing Dale Thompson and his successor, Keith Bowman, with two four-run innings, the third and sixth.

First baseman Chuck Abernathy returned to the lineup to bat in two runs, while Jim Clark had four straight hits before being stopped by Larry Powell, third Lewiston pitcher.

GREAT CATCH Bob Moniz supplied the fielding highlight with the most spectacular catch of the season on a back-hand grab of Jake Helmut's long drive near the screen in left field, somersaulting back onto the playing field as Helmut shook his head in wonderment as he rounded second base.

In the night affair, the Tyees wrapped it up for Heard, also his sixth start without relief, in the first inning as Garriott's two-run homer was followed by a bases-empty circuit blow by Granny Gladstone.

Abernathy drove in the fourth tally in the third inning with an outfield fly.

Eighteen-year-old bonus pitcher Cal Humphries of Seattle made Heard earn his eighth triumph, tops in the W.I.L., as he allowed the Tyees but three hits over the last six innings.

Following tonight's game at Vancouver, the Tyees move on to Wenatchee for a three-game series.

Victoria Daily Times MONDAY, JUNE 9, 1953

Shores Lead Coast Playoff

Victoria United trails in the Coast Soccer League playoff series with North Shore United, losing Saturday's opening game of the best-of-three series, 2-1, at Callister Park, Vancouver.

Shores took a two-goal lead in the first half on markers by Malcom McManus and Fred Whitaker. United's lone score came on a penalty kick by Jack Robbins in the second half.

The second game of the series will be played here Saturday with the third contest, if necessary, at Vancouver later in the month.

REVAMPED CLUB

Forced to take the field with a revamped line-up due to the absence of left winger Bernie Clarkson, United played on even terms with the first-half champions but their attack lacked cohesion.

Several good tries went awry in the first half, Wally Milligan hitting the post with a header and the bar with a hard drive on two successive tries after Shores had taken their 2-0 edge.

Denny McGee shot wide on another good chance and North Shore goalkeeper Frank Ash-down saved beautifully from Jack Robbins early in the game.

McGee played left wing with Jack Robbins at inside left and Frank Lohner at left half to start the match. Noel Morgan later replaced Lohner, going to outside left with Robbins returning to his regular halfback post and McGee to left inside.

Late in the match Jack Strachan went to outside right with Cedric Robb moving to outside left in place of Morgan.

Jack Robbins' penalty kick came eight minutes in the second half when Robb was fouled in the penalty area.

NANAIMO WINS TEAM EVENT

Mainland Marksman Takes Island Title

There was a good turnout but a tricky wind wrecked shooters' chances of making possibilities in the annual Vancouver Island trap-shooting championship program Sunday at the Duncan Elks Club off Lake Cowichan Road.

Jim Robertson, Vancouver, took A class honors in the 50 singles event in a shootoff with Henry Pottinger, Mill Stream, V.I.

S. Torko, Nanaimo, was B class winner, R. Noble of Victoria top shot in C class and Schinsler D class winner.

LOSING HAIR?

try

Silvikrin

Thousands in Britain swear by it!

"Harris says it'll take an awful lot to give him a thrill, after that ninth-inning homer of Bobby Thomson's last fall!"

Segura Captures Pro Tennis Title

CLEVELAND, June 9 (AP)—Francisco (Pancho) Segura, trailing two sets to one, came back Saturday to beat Richard (Pancho) Gonzales and win the international professional tennis championship. The scores were 3-6, 6-4, 3-6, 6-4, 6-0.

Segura, from Guayaquil, Ecuador, regained the outdoor pro crown he first won here in 1950 and dropped in the finals last year to Frank Kovacs of Oakland, Calif.

ONE COUNT PULLS UP LAME AFTER VICTORY

NEW YORK, June 9 (CP)—The unheralded One Count scored an upset victory in the Belmont Stakes, finished the race with a victory, and left the three-year-old racing picture more confused than ever.

With Kentucky Derby winner Hill Gail out of action indefinitely with an ankle injury, Blue Man was the odds-on favorite to capture the \$100,000-added event Saturday on the strength of his Preakness victory. But One Count whipped Arthur W. Abbott's stretch-runner by two and a half lengths—and pulled up lame.

The son of Count Fleet was back at Delaware Park today with owner Mrs. Walter J. Ford and trainer Oscar White hopeful the injury will not prevent him from keeping eastern engagements.

Larsen Captures U.S. Hard-Court Net Title

SEATTLE, June 9 (AP)—Art Larsen of San Leandro, Calif., ambitious to regain to top spot in American tennis, trounced Herbie Flam of Los Angeles 7-5, 8-6, 7-5 Sunday in the finals of the national hard court championship.

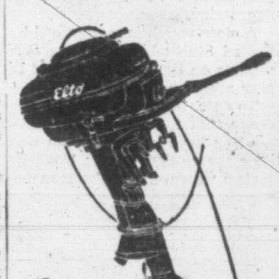

Mary Arnold Prentiss of Los Angeles took the women's title, defeating Anita Kantner, Santa Monica, Calif., 6-1, 8-4.

Larsen's victory was his fifth over Flam this year and his fourth consecutive tournament championship of the season.

Larsen clowned through the doubles finals as he and Tom Brown of San Francisco whipped Harry Lkas of San Francisco and Billy Talbert of New York. After dropping the first set

5-7, Brown and Larsen closed out the match 6-2, 6-4, 6-4.

Mrs. Prentiss and Julia Sampson, Sacramento, Calif., walloped Miss Kantner and Patsy Heard, Portland 7-5, 6-2, in the women's doubles.

BLOWOUTS CAN KILL!

Only the Goodyear LifeGuard principle gives you

POSITIVE BLOWOUT PROTECTION

The only 100,000 mile re-usable protection—outlasts at least 3 sets of tires!

Any tire, or tire-and-tube combination, can blow out—cause injury, even death. But with Goodyear LifeGuard Safety Tubes on your car, you have positive protection against blowout dangers.

In 17 years, in millions of miles, we know of no case of failure of the LifeGuard principle in a blowout!

And the LifeGuard saves you money! How? Because it's re-usable—the only blowout protection that doesn't wear out when your tire wears out!

Figure the savings yourself! You need

to buy a set of LifeGuard Safety Tubes only once in 100,000 or more miles. You spread the cost over 3 or more sets of tires... when your tires wear out, remove the LifeGuards from your old tires, install in your new ones. You save money—and you protect your life!

End blowout dangers today! Get your Goodyear Dealer to equip your present tires with LifeGuard Safety Tubes. See your Goodyear dealer now and get the complete story of LifeGuard blowout protection. It's the kind of practical protection every motorist can afford!

How LifeGuards Make a Blowout Harmless!

3-PLY INNER CHAMBER HOLDS AIR WHEN TIRE BLOWS

TIRES BLOWS

OUTER AIR CHAMBER

LIFEGUARD CROSS SECTION

When a tire without a LifeGuard Safety Tube blows out, it goes flat immediately—car lurches and sways—invites disaster.

BUT—when a tire with a Goodyear LifeGuard Safety Tube blows out, the tube's inner chamber retains air long enough to allow a safe, straight-line stop.

U.S. Ready to Strike Back in Germ Warfare

BY ELTON C. FAY
WASHINGTON, June 9 (AP).—The Communists have had germ weapons ready for at least 15 years, according to their own claims, but so far have not dared use them, even in their Korean aggression.

A close watch is maintained by United States biological warfare experts on the battlefield and in rear areas in Korea.

To date, there has been no evidence that the Reds either have used or have in the Korean war zone the equipment for bacteriological warfare, a spokesman for

defense department scientists said today.

He disclosed, in answer to a reporter's question, that a report in 1950 of a suspected bacteriological warfare plant in North Korea had proved unfounded.

Up to now no other evidence had been found of any immediate Communist preparation to use germ warfare in Korea.

Why haven't the Communists resorted to microbe warfare?

The answer, top American military men say, is that the United States is prepared to strike back with the same weapon in overwhelming power.

Defense Secretary Robert Lovett pointed this up recently. In a press conference he denied Communist charges that the United States had used B.W. and toxic gas weapons in Korea. He added that the Communist technique usually has been to charge someone else in advance with a crime the Communists propose to commit.

Lovett left no doubt that the United States was ready to meet that kind of game. Behind his words stands a big B.W. laboratory plant in Maryland and B.W. proving ground in Utah.

To back up information showing that the Kremlin started preparation for germ warfare long ago, American officials cite speeches by Soviet officials.

Among them is one made on Feb. 22, 1938, by Marshal Voroshilov, at that time commissar of defense.

Voroshilov said if toxic or bacterial weapons were used against the U.S.S.R. "we are prepared and fully prepared to use them also and to use them against aggressors on their own soil."

POLICE TRACING LOST EXPLOSIVE

NOBEL, Ont., June 9 (BUP).—An unknown quantity of nitroglycerine was believed stolen from the Canadian Industries Limited plant here during the week-end and provincial police hurriedly opened an investigation today.

Nightwatchmen reported that a vat containing the explosive had been tampered with, and some of it apparently removed. Police suspected potential saboteurs.

Defense Details Take Firm Shape

Forty persons who have already completed basic training in civil defense work will be picked at the end of the month to serve as ambulance drivers, L. G. Hatcher, Greater Victoria's civil defense co-ordinator has announced.

At the same time Mr. Hatcher revealed a plan to place the Royal Jubilee Hospital on a disaster operating program. Details would be worked out this month.

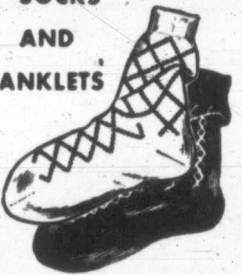

Mobile casualty clearing stations, to link in with the general disaster scheme, will be organized shortly.

Full-Time Evangelist, Radio-Preacher Asked

TORONTO, June 9 (CP).—The 78th General Assembly of the Presbyterian Church in Canada was asked Saturday to establish posts for a full-time Evangelist and a radio preacher—but at the same time was cautioned about creating new positions for ministers.

The assembly postponed decision until the Board of Evangelism and Social Action studies the proposals and reports its findings.

Rev. Victor Ford of Hamilton, Bermuda, urged the assembly to recognize that a special order of evangelists exists and to seek out such men for service throughout Canada. Ministers with the gift of evangelism should be appointed and paid adequate stipends to work in all presbyteries.

Rev. D. G. Seaton of Sarnia, Ont., suggested a survey be made to find a radio preacher to conduct a country-wide broadcast and "send out the evangelism of Jesus Christ with a Presbyterian flavor."

The note of caution about establishing new positions was sounded by Rev. E. J. White of Edmonton. He said: "It is beautiful advanced thinking, but we are not prepared to act upon it."

It will be fine when we reach the point where our pulpits are filled."

Rev. E. C. McCullagh of Dunnville, Ont., said a great number of persons have no church affiliation and never see the inside of a church. A principle should be established that every church member, particularly elders and office-holders, serve as missionaries to increase church attendance.

The assembly rejected a request by the Board of Evangelism and Social Action that a new inter-board committee be set up to implement an evangelism program. It authorized the board to consult other groups on the matter.

Rev. J. S. White of Montreal said the church is getting into the same situation that prevails elsewhere in North America. Whenever a problem came up, the first thing that was done was to set up a committee.

"I am sick and tired of committees," he added. "It seems to me that this is nothing but a super-committee to do what we are supposed to be doing in the local community, Sabbath by Sabbath."

City First Aid Group Winner

A five-man team of Victoria B.C. Electric workers took grand aggregate honors at the 10th annual St. John Ambulance Brigade field day competition for first aiders at the Crystal Garden Saturday.

The utility company crew was given stiff competition, particularly by first aid crews from up island.

Ralph Leeman captained the winning team.

The meet was one of the most successful ever held with 94 teams, comprising 470 first aiders, participating in 13 events.

Arranged by a committee headed by E. Thomas, the exercise was supervised by chief judge Dr. W. W. Bell, Victoria, assisted by Charles Wharton of Nanaimo.

Mayor Claude Harrison was on hand to open the event.

Results follow:

Junior Girls (16 and under)—Francis Cup: B.C. Forest Products (Youbou), A. Dendicki, team captain; second, Denton Holmes Cadets (148C), Victoria, E. O'Brien, captain.

Junior Girls (16 and under)—Jr. Cup: East Wellington Mrs. V. Marshall, captain; second, Victoria Nursing Division (61C), V. Lifton, captain.

Junior Girls (14 and under)—C. E. M. Pemberton Cup: Victoria Nursing Division (61), L. Blin, captain; second, Denton Holmes Cadets, Judy Harrison, captain.

Junior Boys—Sixteen and under: John Stroud Memorial Cup, Victoria Air Cadets, P. Steeves, captain; second, B.C. Forest Products (Youbou), R. McKay, captain.

Junior Boys—Sixteen and under: Stewart-Hudson Cup, Cumberland First Aiders, W. Benny, captain; second, Youbou, Roddy MacKay, captain.

Novice—Men and women non-winners: Little and Taylor Cup, Harmae, Nanaimo, E. Kenney, captain; second, Ladysmith and Comox Logging Company, R. Popovich, captain.

Handicap—Senior women: Ray's Cup East Wellington, Mrs. V. Marshall, captain; second, Cowichan Centre, Mrs. A. Malton, captain.

Handicap—Senior men: Colonist Cup, H. R. MacMillan (Chenainus), R. J. Duncan, captain; second, B.C. Electric, R. Leeman, captain.

Open—Senior women: Times Cup, B.C. Forest Products (Nitinat), Mrs. F. Tate, captain; second, Cowichan Centre, Mrs. R. Malbon, captain.

Open—Senior men: B.C. Electric Cup, B.C. Forest Products (Nitinat), L. Wiskin, captain; second, St. John Ambulance (No. 65), Victoria, P. Jarvie, captain.

Open—Senior men or women: Davis Cup, Cowichan Centre, Mrs. R. Malbon, captain; second, East Wellington Ladies, Mrs. V. Marshall, captain.

Special Event—Senior prize-winning teams: Harmae team, Nanaimo, E. Kenney, captain.

IRON-AGE MAN (CP).—The body of a man killed as a human sacrifice and buried at least 2,000 years ago has been found in a good state of preservation in a Danish bog. Experts found he died of hanging, probably as a sacrifice to the ancient Norse Goddess of Fertility, Nerthus.

C.P.R.'s Incinerator Cause of Complaints

The harbor committee of the City Council will meet with the captain of the C.P.R. here to discuss a complaint about odor and debris emanating from the C.P.R. incinerator.

Captain G. D. Cagerat complained to the committee and referred to debris existing in the immediate area of the incinerator, on Belleville Street.

Inspector Advises No Fee Boosts for Permits

City Council Tuesday will be asked to allow present building permit and inspection fees to stand.

Council, at its meeting on estimates, suggested fees be increased by 15 per cent.

J. W. Oosterink, city building inspector, advised against the move in a letter to the public works committee.

He said three or four years ago, permit fees were brought up to standard with the uniform building code and last year were raised 25 per cent.

The committee endorsed Mr. Oosterink's recommendation.

BIG COLONY
Kenya, British Crown colony in East Africa, has an area of 224,900 square miles and population of over 5,000,000.

ALTERNATIVE VOTING

AND HOW TO MARK YOUR BALLOT IN THIS PROVINCIAL ELECTION

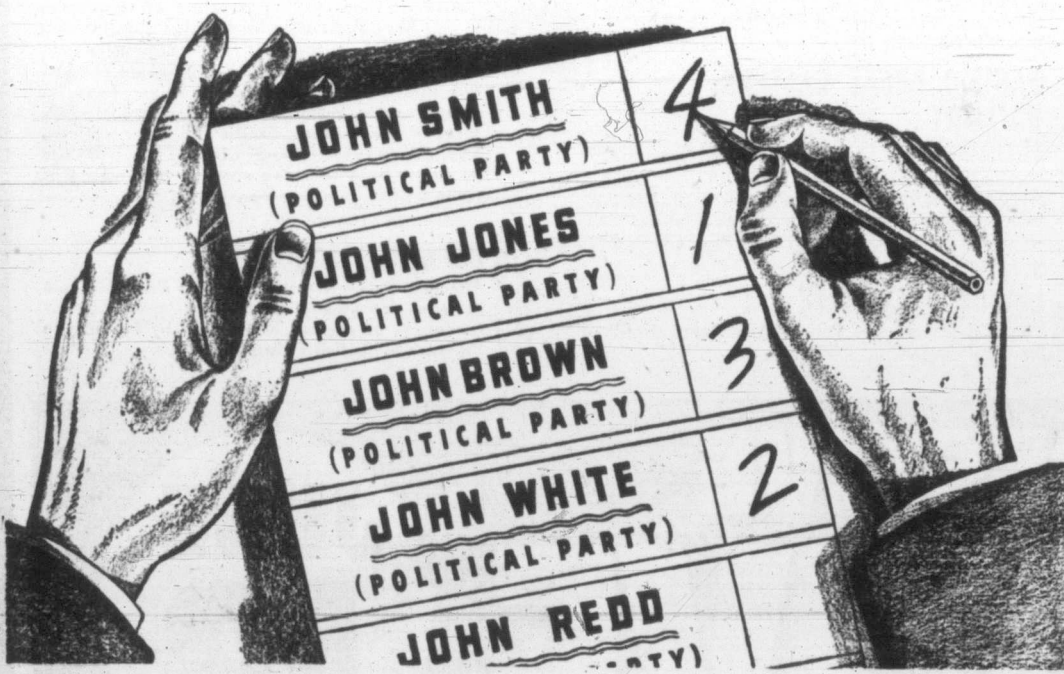

HERE'S WHY THE NEW SYSTEM IS BEING USED

The Voting system has been changed to enable every voter to cast his ballot for more than one candidate in order of his preference.

When you vote under the Alternative Vote system **YOU GET MORE THAN ONE CHOICE**. This will prevent any candidate being elected on a minority vote as has happened in the past. The candidate so elected in each riding will have received an absolute majority over all other candidates combined.

HERE'S HOW YOU VOTE WITH ALTERNATIVE VOTING

The Alternative Vote is as simple as the voting system used before only, instead of marking an X against your one choice only, you can mark 1-2-3-4 with your first choice as number one, your second choice as number two and so forth in order of your preference.

CUT OUT THIS MESSAGE FOR REFERENCE AND DISCUSSION.

Victoria Women's Progressive Conservative Association and served as member of the National Executive of the Progressive Conservative Party of Canada, and as Vice-President of the Provincial Women's Association. She is President of the Local Council of Women and Immediate Past President of the Women's Auxiliary to the Veterans' Hospital, and various other community and patriotic activities. Mrs. Harvey is married and has two sons and a grandson. She values public service and through her years of experience she has become a capable, understanding and untiring worker.

Woman of Outstanding Experience and Boundless Energy

McPHILLIPS
A. DeB.
1
First Choice Ballot B

Albert DeB. McPhillips was born in the City of Victoria in 1904, educated here and now practises his profession as a lawyer in this city. He is married and has two children. Mr. McPhillips is the son of the late Mr. Justice McPhillips of the Court of Appeal of B.C., who was, before his appointment to the Bench, a member of the Cabinet of Sir Richard McBride as Attorney-General and as President of the Council. On his mother's side, Mr. McPhillips is descended from two former Premiers of British Columbia, A. E. B. Davie, his grandfather, and Theodore Davie, his grand-uncle. Mr. McPhillips is a member of the Victoria Chamber of Commerce, a Director of the Children's Aid Society of Victoria and a member of Native Sons of B.C., Post No. 1, Victoria. He is active in promoting the interests of the City of Victoria, and with his background, which provides him with a wealth of political insight, he is a valuable force in any administration.

Fearless, Dynamic Fighter for the Rights Of the People

MILES
Walter S.
1
First Choice Ballot C

His career began with a voluntary teaching position at the Chinese Mission School some 30 years ago. He has, since then, devoted himself to public service—as Secretary to the President in the founding of the new Jubilee Hospital, in being instrumental in the building of Memorial Hall, as director of the John Howard Society, the Arthritis Society, Columbia Coast Mission and the Children's Aid Society, besides serving as Chairman in two Red Shield campaigns. He is Director of the Vancouver Island Publicity Bureau and is President of the Associated Chambers of Commerce (for 26 member Chambers) of Vancouver Island this year. He is author of the 10-point program relating to the development of the harbors of Greater Victoria and is one of the earliest proponents for the creation of a Canadian Coast Guard Service. He is regarded as one of Canada's leading authorities on shipping and transportation. He is married and has one daughter. Mr. Miles' understanding and love of people in general continues to be an influence for good in our community.

LARGE SUM LEFT TO PRESERVE ART OF SCOTTISH COOKERY

LONDON, JUNE 9 (AP).—A Scotswoman has willed £1,000 to Edinburgh College of Domestic Science to perpetuate Scottish cooking—especially haggis.

The will of Mrs. Ada Gertrude Shephard published Saturday provides that income from the money be used for an annual cookery prize at the college. The prize dish "when-ever possible" is to be haggis.

A dictionary definition of haggis: Pudding made of the heart, liver, lungs, of a sheep or a calf minced with suet, onions, oatmeal, seasoned and boiled in the stomach of the animal.

United Church Drive Climbs Toward Target

First United Church's campaign for funds for its renovation and improvement has netted \$125,000 so far and another \$3,500 has been pledged by the Women's Auxiliary.

Goal of the drive is \$200,000.

Gun Twirling Rider Victim of Own Shot

PORT TOWNSEND, Wash., June 9 (AP).—A young horseman, twirling his pistol cowboy fashion, accidentally shot himself through the heart Saturday night while riding with friends on a week-end outing.

Killed outright was John R. Temple, 25, Port Townsend paper mill worker.

He and a group of men, all members of the Jefferson County Saddle Club, had ridden on horseback to Eaglemount, about 10 miles south of here, and were only a few miles from the lake where they planned to spend the week-end.

The other riders reported Temple started spinning his pistol

as they rode along, and the gun accidentally discharged.

Temple, a Marine veteran, is survived by his wife and two children.

OUR PLEDGE

THE B.C. Progressive Conservative Party is pledged to careful, efficient and honest administration and to courageous development of the God-given and matchless resources of this province for the benefit of all our people. We will protect freedom and enlarge opportunity for the individual as natural rights of all those who dwell within our borders today, and as a heritage for generations to come.

The B.C. Progressive Conservative Party believes that the welfare of the people is best assured by a minimum of compulsion by governments; that the increasing intrusion of government authority into the private affairs of the individual must be curbed; that the growth of bureaucratic controls brings burdensome and destructive taxation, and endangers the freedom of all our people.

The life of our province is the sum of the daily effort of all those who toil in mill or mine, factory, field or forest; in office, shop, school or home, and in the many other pursuits of our people. For all of them, the opportunity to work and save, to win advancement by ability and application, to found and maintain families, to find happiness and contentment, are of prime importance.

To achieve these aims, we pledge ourselves to deal reasonably and justly with the problems of all our people, to ensure equality of opportunity to all our citizens, to preserve freedom and to oppose monopoly.

The B.C. Progressive Conservative Party pledges itself to support in every way these principles and the actions outlined in its platform.

W. A. Hanson
Leader B.C. Progressive
Conservative Party

HOSPITAL INSURANCE . . .

We recognize the wide-spread dissatisfaction with the British Columbia Hospital Insurance Service as presently carried on in the Province.

The Progressive Conservative Party will institute a new plan of Government Hospital Insurance that will be on a non-compulsory, non-monopolistic basis, and will eliminate the problem of co-insurance.

EDUCATION COSTS . . .

That the Progressive Conservative Party will review the problem of School Finance as it exists at present, including mounting costs, and costs of school construction, with a view to effecting a more equitable distribution of the Province's contribution.

FOREST MANAGEMENT . . .

We will appoint at once a Commission of Inquiry to review the present Forest Management Policy in order to make recommendations as to how:

- (a) to ensure perpetual yield of our forests;
- (b) to provide adequate opportunity for small loggers, mill operators and all others who desire to use and develop the forest resources of the Province;
- (c) to safeguard for the public the mining, power, fishing and recreational resources within all management license areas.

HIGHWAYS . . .

We propose to continue and to accelerate the highway program laid down by the Conservative Section of the Coalition in 1943, which has been carried out continuously since then.

The B.C. Progressive Conservative Party will reduce the cost of license fees on all private passenger automobiles by 30% from the present prevailing license fees.

PACIFIC GREAT EASTERN RAILWAY . . .

As proposed by the Conservative Party members in the Legislature, immediately on forming a Government, we shall proceed to extend the P.G.E. into North Vancouver, with the final object in view of extending the railway from Prince George into the Peace River area.

LIQUOR PLEBISCITE . . .

The B.C. Progressive Conservative Party stands for local option.

POWER DEVELOPMENT . . .

The B.C. Progressive Conservative Party will implement the Electric Power Act in accordance with the original intention of the Legislature, to provide power and light to our rural areas.

AGRICULTURE . . .

We advocate a reorganization and extension of the services of the Department of Agriculture, to make the services of the department, particularly in the information field, more widely available to the farmers.

We propose to negotiate with the Federal Government to make the Prairie Farm Rehabilitation Act applicable to the whole of B.C., so that our fertile but undeveloped agricultural areas can be brought under irrigation or be reclaimed.

PROVINCIAL-MUNICIPAL TAXATION REFORM . . .

The B.C. Progressive Conservative Party proposes the payment of grants in all areas where there is Provincial Government real property.

LABOR-MANAGEMENT RELATIONS . . .

The B.C. Progressive Conservative Party is pledged to give consideration to the reports of the Industrial Conciliation Act Inquiry Board Report, and to the report by Chief Justice Sloan on the Workmen's Compensation Act, at the next session of the Legislature, in the best interests of Labor, consumers and industry.

EXPORT TRADE . . .

The B.C. Progressive Conservative Party is deeply concerned over the deterioration of conditions in our basic industries in British Columbia due to loss of export trade. It is the firm belief and determination of the Party that some method can and must be found to simplify financial arrangements between the dollar and sterling areas of the Commonwealth and other nations. The Progressive Conservative Party will use its best efforts to bring about a betterment of trade within the Commonwealth.

SEPARATE SCHOOLS . . .

The B.C. Progressive Conservative Party believes in the democratic system of non-sectarian schools as at present established by law in the Province of British Columbia.

ISLAND DIGEST

PORT ALBERNI, June 9.—John Edward Miller, cook on a British ship, was fined a total of \$56 after pleading guilty to trying to sell meat from the ship's stores.

Police said he was followed through the business section while carrying a heavily-loaded sack over his shoulder.

Later they found the sack contained meat from the ship.

NANAIMO, June 9.—More than 300 pre-school children have been examined since the inauguration of the Vancouver Island Health Unit preventive dental survey in February.

DUNCAN, June 9.—Police are investigating a stabbing and beating in this district Saturday, believed the result of a drunken brawl.

In hospital are Andy Edwards, 42, with a knife wound in the back and a slash on his face, and Willie George, who had been beaten severely.

Edwards was taken to hospital at 2 a.m. from Somenos. Seven hours later George was found in Koksilah.

QUATSINO, June 9.—Loggers working in the Nimpkish Valley have felled a tree 1,197 years old, believed the oldest ever encountered in B.C. forests.

Although not the largest ever found, due to growing on poor ground, it was 230 feet high and nine feet in diameter at the butt.

LADYSMITH, June 9.—Kinsmen Club here is considering sponsoring a softball game between Ladysmith and Victoria teams in support of the drive for a \$100,000 hospital building fund.

Officers elected at the last meeting were: E. F. N. Robinson, president; James Moore, vice-president; George Pollock, secretary; Norman Slessor, treasurer; Jack Eaton, Gunnar Johnson and Jack Ware, directors.

DUNCAN, June 9.—One of the city's first volunteer firemen, Roland Dunning, 75, died Friday at King's Daughters' Hospital. A native of Leeds, he had lived 45 years in Duncan, and was assistant chief of the fire department when the city took it over in 1912.

NANAIMO, June 7.—Loss of more than \$40,000 was estimated when three of the oldest residences at Departure Bay burned to the ground Saturday.

Although Departure Bay, Nanaimo and Wellington fire departments responded, they soon exhausted well supplies of water. Homes lost were those of William Nyquist, John Montgomery and Cam Stevenson.

NANAIMO, June 9.—Louis Koss Found, 51, a native of Fond du Lac, Prince Edward Island, and manager of the T. Eaton Co. store here, died Saturday at Nanaimo Hospital.

He was a past master of Victory Lodge, A.F. & A.M. Vancouver; and member of Nanaimo Lodge No. 110, Nanaimo Rotary Club, and Nanaimo Yacht Club.

QUATSINO, June 9.—Loggers working in the Nimpkish Valley have felled a tree 1,197 years old, believed the oldest ever encountered in B.C. forests.

Although not the largest ever found, due to growing on poor ground, it was 230 feet high and nine feet in diameter at the butt.

LADYSMITH, June 9.—Kinsmen Club here is considering sponsoring a softball game between Ladysmith and Victoria teams in support of the drive for a \$100,000 hospital building fund.

Officers elected at the last meeting were: E. F. N. Robinson, president; James Moore, vice-president; George Pollock, secretary; Norman Slessor, treasurer; Jack Eaton, Gunnar Johnson and Jack Ware, directors.

City Plans Saving By Using Car Pool

An investigation is under way on motorized equipment and its use by the city.

From time to time, City Council has discussed possibility of a car pool and various other means of making greater use of its vehicles at less cost.

A recent recommendation from the city engineer that two passenger cars and two panel trucks be purchased, as provided in the 1952 estimates, was laid on the table pending outcome of the investigation.

Rail Leader Lauds Project At Kitimat

B.C. Towns Reel Under Prosperity

WINNIPEG, Man., June 9.—"Because of a fantastic need for electric power, a town is being born in the wilderness of Canada's North Pacific coast. That town is Kitimat. It is more than a town. It is a monument to the new pioneering spirit, the latest manifestation of confidence and courage in our resources that will bring us greater rewards than we ever dreamed of."

It is in this light that S. W. Fairweather, vice-president, research and development, Canadian National Railways, sees the half-billion-dollar power and aluminum smelter project that has its headquarters in the one-time Indian village 75 miles south of Prince Rupert.

He passed through Winnipeg today en route to Montreal after inspecting the route of the new C.N.R. line projected from Terrace, 94 miles east of Prince Rupert, to serve the new port and town of Kitimat.

Northern and Central British Columbia is almost reeling under the impact of this sudden development of its wilderness," said the research authority. "Towns like Terrace and Vanderhoof which are supply railheads for the project are swollen with new skills as the industrial revolution takes shape. It is impossible to see the activity and be a pessimist."

He said the C.N.R. had more than doubled its train services in Northern British Columbia to meet the rush of inbound material and workers on the new \$100,000,000 railway line linking Terrace and Kitimat. He said the preliminary survey had been completed.

QUATSINO, June 9.—Loggers working in the Nimpkish Valley have felled a tree 1,197 years old, believed the oldest ever encountered in B.C. forests.

Although not the largest ever found, due to growing on poor ground, it was 230 feet high and nine feet in diameter at the butt.

LADYSMITH, June 9.—Kinsmen Club here is considering sponsoring a softball game between Ladysmith and Victoria teams in support of the drive for a \$100,000 hospital building fund.

Officers elected at the last meeting were: E. F. N. Robinson, president; James Moore, vice-president; George Pollock, secretary; Norman Slessor, treasurer; Jack Eaton, Gunnar Johnson and Jack Ware, directors.

Prorogation for Parliament Seen Possible for June 28

By JAMES R. NELSON
OTTAWA, June 9 (BUP).—Members of parliament hoped today to wind up the present session by June 28.

The possibility of prorogation by the last Saturday of this month was strongly supported by an announcement by Prime Minister Louis St. Laurent that only a few minor routine bills are left for introduction to the House.

Only two, and perhaps three, matters of major importance are still to be dealt with by the Commons.

About 75 per cent of the 1952-53 estimates have yet to be approved, and redistribution of House of Commons seats is the second item of top importance. A possible third matter is the wholesale revision of the Criminal Code, which is at present under consideration of a Senate committee.

The Criminal Code revision, however, may be left over until the next session, during which the House would have time to give more thorough study to the changes.

The remaining estimates, which included the whole of the \$2,061,725,000 Department of National Defense budget, were not expected to occupy as much of the House's time this year as in 1951.

Defense estimates, amounting to nearly half the total budget, are the ones in which the opposition is most interested.

Last spring, after the Progressive Conservatives had been rebuffed by the government in attempts to have the heavy defense budget submitted to a committee, they spent days in minute examination of the estimates on the floor of the House.

The government relented this year and the estimates were given a committee for detailed examination. When they reach the floor they are virtually assured of speedy passage.

Redistribution of Commons seats is also being studied by a committee with the result that House debate should be kept to a minimum despite the fact that the problem of reshuffling constituencies in line with population changes is highly technical.

A compelling factor in targeting prorogation at the end of this month is the Quebec general election, slated for July 16.

The Liberals hold only eight of the 92 seats in the Quebec legislature and the party will campaign strenuously to loosen the grip of Premier Maurice Duplessis on the province. Liberals, who hold nearly all the Quebec seats in the House of Commons, are expected to invade the province en masse in support of their candidates for seats in the legislature against members of the Union Nationale.

The campaign for the Quebec general election swung into high gear Sunday as provincial leader Georges-Emile Lapalme kicked off his party's bid for power at Joliette, Que.

Duplessis will open his campaign in his home riding of Three Rivers June 15.

City Smoke Control Officer Will Be Part-Time Job

Appointment of a smoke inspector for Victoria is expected to be made shortly. Ald. Percy Surrah, chairman of City Council's public works committee said today.

The appointment will be on a part-time basis only and calls for a university graduate, who is a "first class engineer with at least 10 years' experience in control of soot and smoke."

The salary is \$150 a month.

The city manager is authorized to make the appointment once council approves the committee's recommendation. The inspector will carry out requirements of the city's smoke by-law.

Pilots Bill Bellam, Ted Hensen, made flight east in Hensen's biplane.

Ambitious City Pilot Flies Own Plane Here From East

Newest addition to the Victoria Flying Club's fleet of privately-owned aircraft is a sleek little Cessna 140, flown from Toronto to Patricia Bay by its owner, Bill Hellam, of 1860 Newton Street.

The young pilot got home Sunday.

Bellam has crammed a lot of activity into his 21 years. He

started training with the flying club in April, 1951, at the time when he first worked for Copley Bros., driving tractors, graders and trucks.

All his spare cash was saved toward purchase of his own plane, and eight days ago he set off for Toronto with Ted Hensen, 2512 Fernwood Road, in the latter's Ercoupe.

They landed at Winnipeg, then took the train to Toronto

to pick up the new ship.

"That enabled the two of us to make the trip across the rugged country of western Ontario," Bill said. "One could navigate while the other could devote his attention to flying the new ship."

Bill gave most of the credit for their successful trip to his flying partner.

"Ted has 300 hours' flying logged, and has partly written

off his commercial license," Bill said. "He learned all his flying through the club here, and has taught me a great deal."

They were delayed at times by weather, he said, but were caught by storms only twice.

"All it meant was that we had to land off schedule, and the airports were not very good."

Flying across the Rockies

over Crow's Nest Pass was the easiest part of the trip, he said.

"We crossed at 11,000 feet and weather was perfect," he said.

A director of the flying club this year, Bill will keep his aircraft at Frank Copley's private flying field. He now has 80 flying hours behind him, and will train for a career in aviation by taking the local flying club's commercial course.

BETWEEN TIMES

By MONTE ROBERTS

Do you remember that old depression-time song, "Brother, Can You Spare a Dime?"

Tippy O'Neil had it spinning on his radio "Scrapbook" Saturday, when the music faded down and he brought in an announcement urging listeners to vote Progressive Conservative.

Stop editorializing, Tippy.

There is nothing confusing about the system of alternate voting except the explanations.

Some of the explanations rival the zaniness of Robert Benchley.

For instance, at the all-feminine rally last week, Mrs. Hodges explained the system by saying you could "Vote one-two-three-four, right from top to bottom of the ballot."

Mrs. Arsens was quickly on her feet to explain that you could much better "Vote one-two-three-four right from bottom to top of the ballot."

(In case you didn't know, Mrs. Hodges is at the top, Mrs. Arsens the bottom, of the ballot.)

The radio, of course, tells us to "vote one-two-three and so on."

I have carefully examined all the candidates in my riding, and have decided to vote for so on.

Robert Fort's campaign literature reproduces a ballot, with Mr. Fort's name in the number two slot, and mythical names in the other positions.

Opposite Mr. Fort's name is a big fat figure "L."

Opposite the names of the other candidates are question marks.

I am willing to bet there will be a number of ballots spoiled because they are marked with question marks.

We will now discuss the perils of drink.

One of the worst perils of drink in B.C. is the law about drinking.

This law makes it illegal to buy liquor in small quantities.

It also makes it illegal to do anything else, such as eat or even listen to music, while drinking.

Thus the law compels you to concentrate on your drinking, and I believe this is a very perilous condition indeed.

A law so stupid should be changed.

There have been a great many misleading statements recently about the liquor laws in Ontario.

Under Ontario's present liquor laws there are several things you can do while the waiter is bringing you a long, tall one, or a short, sharp one.

You can listen to music, watch good entertainment, dance, watch television, and—most important of all—eat.

You are encouraged to eat. In the cocktail lounges, where full course meals are not available, you'll find cheese straws and other "munchies" near at hand.

In the dining lounges—Ontario's name for restaurants with licenses to serve drinks—the quality of food is apt to make you overeat, if anything.

In the city of Toronto, which used to be famous for mediocre food, the possessors of lounge licenses have found it necessary to spend large sums on good chefs and good food.

The rivalry for business has upped the quality sharply.

So let's not be fooled that the "saloon days" are back in Ontario.

You use your own judgment, but I'll be voting "Yes" on June 12.

SEPARATE SCHOOL OPPONENTS REPORT THREATENING CALLS

A Victoria couple strongly opposed to the "separate school" plan have received threatening telephone calls, it was learned today from city police.

The woman involved has been voicing her criticism of the plan through letters to the newspapers recently.

She told police Sunday she and her husband had received two telephone messages by an anonymous caller who warned: "You are making trouble for yourself!"

The newest threat came over the telephone at 10:30 Sunday night.

"I'm sure it was the same person as the voice was 'foreign sounding' each time," the letter-writer said.

She told police of the matter "in case of future trouble."

The woman said she had not signed the letters to indicate it was a female writing.

"The threats were leveled at my husband because I did not use my own first name. However, he is quite willing to share things with me in this matter," the woman said.

Aorangi Coming Back For Dry-Dock Repairs

Bow Pushed in While Docking at Ogden Point; Made Way to Vancouver With Temporary Patch

Ms. Aorangi, a 24-foot section of her stem smashed, will return to Victoria from Vancouver Tuesday morning for dry-docking and temporary repairs.

The 17,000-ton Canadian-Australasian liner pushed in her bow against Ogden Point Dock Sunday day when she failed to lose way quickly enough coming in for docking.

Her scheduled sailing for Australia and New Zealand will be delayed for two days, and there is a possibility she may pass up Victoria outward bound. Definite decision on this will be made later this week.

The ship will leave Vancouver at 9 a.m. Tuesday, and go into drydock at 6 a.m. Wednesday.

Victoria Machinery Depot has been awarded the contract, which will involve from \$4,000 to \$5,000, in addition to docking charges.

V.M.D. shipwrights will bend steel plates over the damaged section, and pour cement between the plates and the stem. The ship is scheduled to go in for annual overhaul when she returns to Australia, and permanent repairs will be made at that time.

Aorangi will return to Vancouver Thursday for loading, and will sail Saturday afternoon from Vancouver. Victoria passengers may have to board her at the Mainland, but C.P.R. officials will make a definite announcement on this shortly.

A long waiting list. Eighty per cent of its cases are cured within months, others get "permanent preventive" treatment.

For real migraine, says the doctor, resting in a darkened room is the only home treatment. Headache powders are just no good. Statistics show that twice as many women as men suffer from the complaint and nearly all work with the brain rather than the hands.

Revision and improvement of liquor legislation. The resolution was passed unanimously.

"My stand now is the same as it was then. I'm going to vote 'yes' on June 12 because I believe that the interest of true temperance will be served."

"While everyone has the right to their opinion, I do not think that the stature of the Greater Victoria Citizens' Association is greatly increased by endorsing the hit and run tactics of two imported Vancouver pundits from Vancouver. Surely we can speak for ourselves on this issue," concluded Rev. Hills.

Just back from a speaking engagement in Houston, Tex., Rev. Hills was asked his reaction to Vancouver's Rev. Stanley Higgs' statement that he (Rev. Hills) is "at sea" on the liquor issue.

George Hougham, Vancouver, also criticized Rev. Hills' stand.

"The rector of St. Michael's (Rev. Higgs) can have all the fun he likes even at my expense. But I consider this liquor plebiscite altogether too serious a thing for flippant oratorical asides," said Rev. Hills.

"Further, I'm surprised and saddened to think that a spokesman for the Alcohol Research Council (Hougham) should resort to personalities."

"It is a cheap way to gain an audience reaction. But it discloses more than anything else the kind of emotional intemperance which has characterized the campaigning of those people who want to endorse the present defective liquor system by voting 'no' on June 12."

SYSTEM IS BAD

Rev. Hills contended the "present system is bad and the plebiscite wording is bad."

Car Parts Litter Crossing, Drivers Slightly Hurt

Week-End Accident Toll Includes Crash Through Guard Rails on Island Highway

Seven drivers and three passengers escaped serious injuries in a series of week-end accidents.

Two drivers in a spectacular Oak Bay collision, their cars badly damaged, walked away from the wreckage. But both went to hospital later.

Sent to Royal Jubilee Hospital were Robert Cameron, 1715 Emerson, lacerations to the right side of the neck, and bruises; Robert B. Hopkins, 18 of 1200 St. David, lacerations to both legs and facial bruises. Cameron is still in hospital. Hopkins has been released.

Constables Brian Ferguson and Brian English, investigating the scene, said that Hopkins, proceeding east on Oak Bay, crashed into the vehicle driven by Cameron, going south on Richmond. The traffic lights were in operation at the time.

DRIVEN THROUGH FENCE

Following the crash, the Cameron car was catapulted through a fence and collided with the corner of a house at 1079 Richmond, owner, Miss Phil Rae. The Hopkins car spun around three times before stopping.

Damage was heavy to both vehicles. Parts of the cars were scattered over a wide area, near the Mill Bay cut-off.

Five minutes later at Fairfield and Cook, cars driven by William Kivov, 2620 Prior, and Albert T. day. The car was wrecked.

PLUNGE OFF HIGHWAY

Two Victorians nursed superficial cuts and bruises after their car was totally wrecked in a plunge off the island's Highway early Sunday morning.

They are E. F. Bird, driver, of 1118 Fairfield, and Reginald Harris, 705 Pandora.

The car, which carried with it some 30 feet of guard rail when it left the road, ended its plunge wheels-up among brush more than 50 feet off the highway near the Mill Bay cut-off.

R.C.M. Police said the accident occurred at 4:30 a.m. Sun-Kivov, 2620 Prior, and Albert T. day. The car was wrecked.

TOPICS OF THE TIMES

Government House on Rockland Avenue is going to be "freshened up."

The provincial department of public works has called tenders for painting the exterior of the historic mansion.

Tenders close at noon June 20.

Victor Singh Gill, Box 332 Lake Cowichan, reported to city police that two lumber chains and two inches were stolen off his truck parked at the Island Highway Service Station, Gorge and Government, during the week-end.

British Columbians are facing a dry week, and this isn't any weather report.

Liquor Control Board regulations covering election day mean stores will be closed all day Thursday, in addition to the regular Wednesday afternoon closing.

Beer vendors must close during voting hours, 8 a.m. to 8 p.m.

School Trustee Austin Curtis will address members of George Jay Home and School Club at the final meeting of the season Wednesday night at 8 at the sch. bl.

A special invitation is being extended to parents of the district whose children will commence school for the first time in September.

The Home and School Club, organized just six months ago, has a membership of more than 400. George Dawson is president of the group.

Yarrows Limited was scheduled to launch a 133-foot steel hog fuel carrier at 5 p.m. today.

The all-welded steel barge was built in 42 working days for Vancouver Tug Boat Co., and will be known as "V.T. 41."

It was built with oil-type bulkheads, so it can also be used as an oil carrier if desired.

The Victoria Short Wave Club will meet at 2500 Foul Bay Road on Wednesday at 8 p.m.

Economist Calls Slump Temporary

LONDON (CP).—The trouble with British industries, hard hit by changes in the economy, is only a temporary fit of indigestion, not a symptom of a general slump, says Manning Dacey, economic adviser of Lloyds Bank.

Addressing the annual conference of the Wholesale Textile Association, he forecast an early comeback by business interests such as the textile industries that had borne the brunt of recent import restrictions by certain Commonwealth countries.

"I can see no evidence at all," he said, "that we are entering on a period of general slump."

The is no indication either that the country has entered upon a sudden wave of thrift. Although the average family is economizing on food and clothing, more is being spent on tobacco, beer and entertainment.

"The obvious conclusion is that the recession in the textile and some other consumer trades is purely temporary," Dacey said.

"It is only a fit of indigestion."

He suggested a fall in prices might well be the necessary condition of recovery. But with incomes rising while food subsidies were being withdrawn, he believed home demand for many goods would be back to normal before the end of the year.

POPULAR SPORT

OSLO (CP).—The Norwegian Soccer Federation, celebrating its 50th anniversary, reported 65,000 active soccer players are listed with 1,265 affiliated clubs in Norway.

Potato Price Drop Seen By Trade

The anticipated rise in the retail price of potatoes this week as a result of the cancellation of price controls in the United States, is not expected to materialize, wholesalers reported today.

They said the wholesale price of potatoes, which rose from \$8 to \$8.50 a sack last week, will not rise further. Increasing stocks of potatoes are arriving on the market from the United States.

Potato prices are more likely to go down, they said.

Wholesalers said B.C. will be able to get all the potatoes it wants from California.

"They're shipping out" 1,000 carloads of potatoes a day," a wholesaler said.

Meanwhile, a few B.C.-grown potatoes arrived on the market in Vancouver today. This supply will increase within the next two weeks.

Plans to promote preventive visual care held the spotlight at the annual convention of the British Columbia Optometric Association opened in the Empress Hotel this morning.

A public relations program for members of the association, with emphasis on encouraging regular eye examinations, occupied most of the discussion hours.

Dr. George Darimont and Harry Bleasdale led the public relations discussion, and Dr. Frank Fraser headed up a round-table on internal problems of the association.

Victoria civil defense co-ordinator Leonard Hatcher spoke at a luncheon today, elaborating plans to set up a "spectacle bank" so key officials could have their glasses replaced quickly in the event of emergency.

Dr. Homer A. Defieu, New Westminster, is president of the association, which holds its annual meeting and election of officers this evening. Chairman of the convention committee is Dr. Ronald F. Jeune, Victoria.

Speakers at the morning session Tuesday will be Dr. Robert Wenner and Dr. Gordon McKee.

Following approval by the Victoria-Saanich beaches and parks committee, a new parking lot is being completed at Elk Lake.

It will be separate from playing and picnic grounds and will keep cars from the water's edge along the lake front.

Capt. A. G. Boulton, Ottawa, director of Canada's naval reserves, will arrive in Victoria this week to inspect the H.M.C.S. Malahat division.

Glasses Exception as Optometrists Meet Here

While not exactly a rarity, the man with glasses found himself in the minority as the annual convention of B.C. Optometric Association opened in Empress Hotel this morning. One of the objectives of the association is to promote preventive visual care, thus eliminate need for glasses until advancing age makes aids to vision essential.

Here Dr. Ian Evans, Prince George, is the only spectacle-wearer among a group of five optometrists, left to right, Dr. George Darimont, Victoria; Dr. Homer A. Defieu, New Westminster, president of the association; Dr. R. F. Jeune, Victoria, chairman of the convention committee; Dr. Evans, and Dr. B. C. Primeau, Vancouver. (Times Photo.)

Pupils' Recital Held at Sooke

Annual piano recital of Madam Lavertue was heard recently by a capacity audience of pupils, parents and friends in the marine room, Sooke Harbor House.

At the close Robert Gibson, on behalf of the parents, expressed thanks for her "efforts in improving and stimulating a taste for good music."

Pupils participating were B. Wilkinson, J. Wilkinson, L. Sullivan, A. Lavertue, P. Lavertue, W. Gibson, A. Gibson, C. Miliken, D. Michelson, Y. Sullivan, J. Acreman, C. Lavertue, R. M. Lavertue, D. Duncan, R. Sullivan, L. Duncan, J. Baker. Guest soloist was Mrs. R. J. McLeod. At close of the recital, pupils presented their teacher with a bouquet of pink roses. Refreshments were served.

Grandchildren of Well-Known Victorians

John Wayne, son of Mr. and Mrs. G. Eric Munro, Ganges, right, and cousin, James Allan Eric, son of Mr. and Mrs. James F. Munro, Queen Charlotte Islands, are both 10 months old. Their paternal grandparents are Dr. and Mrs. J. B. Munro of

Victoria, Salt Spring Island and Parksville. John Wayne's maternal grandparents are Mr. and Mrs. E. Olson, North Vancouver, and wee Eric's are Mr. and Mrs. W. E. Kemp of Olds, Alta.

by Alice Brooks

So much gay color! So little work and fabric! Butterfly apron requires only one yard 36-inch fabric, one-quarter yard contrast. Save and use remnants for these! Sewing, embroidery, applique all easy! Pattern 7320: cutting charts; transfer, pockets, holders. Send 25 cents in coins for this pattern (stamps cannot be accepted) to the Times, Household Arts Dept., 60 Front St. W., Toronto 1A, Ont. Print plainly name, address, pattern number.

Exciting! Our 1952 edition of Alice Brooks Needlecraft Book! Brimful of new ideas, it's only 25 cents. Ninety-one illustrations of patterns of your favorite needlecraft designs, plus six easy-to-do patterns printed right in the book.

Dunnington-Cliff Vows

Dr. A. E. Whitehouse heard the marriage vows of Mary Isabel Cliff and Wilfrid J. Dunnington, in Metropolitan United Church, Saturday evening at 8.

The bride is the daughter of the late Mr. and Mrs. F. T. Cliff, Victoria, and the groom the son of the late Mr. and Mrs. W. D. Dunnington, of Castor, Alberta.

Edgar Holloway, at the organ, played traditional wedding music during the ceremony and Miss Mary Samuelson sang, "I'll Walk Beside You," during signing of the register. The church was decorated with summer flowers.

The bride, given in marriage by her cousin, Mr. J. B. Clearthue wore a beige suit, pink accessories, heirloom diamond earrings and sunburst brooch and gardenia and pink rosebud corsage.

Mrs. V. E. L. Goddard attended her sister. She wore an aqua blue suit with champagne colored accessories and a pink rosebud corsage.

Mr. Wesley Greig of Vancouver, cousin of the groom, was the best man, and the ushers were Mr. E. W. Cliff of Vancouver, and Mr. George Cliff, brothers of the bride.

Mrs. C. Greig and Miss I. Bolton, cousins of the groom and bride respectively from Vancouver, assisted in welcoming the guests at the reception held in the business and professional women's club rooms. Mr. A. M. Clearthue proposed the toast.

Pinwae
...takes only half as long as ordinary home permanents!

And you can do it by yourself! With Pinwae, there's no re-setting after neutralizing... no blocking... no rods... no end papers! With Pinwae you use your own aluminum or plastic pin-curl clips or curlers and choose the curl you want—soft curls and waves for short hair, tighter curls for longer tresses. Try Pinwae today—just \$1.50 at drug and department stores!

PINWAE—as easy as pin-curling your hair!

WHY GROW OLD?

By JOSEPHINE LOWMAN

I wish I were a gal
Like some of those I see.
They take a good suntan,
It only blisters me.

I like to swim and sail;
I like to look nice, too.
They look like bathing beauties,
And I like fifty-two.

A picnic is just grand
In nature's great outdoors,
But only once a year,
And I must skip Toots Shors.

I once began to dig
With great, furious glee.
I planted simple phlox
And what it did to me!

Instead of simple phlox
As I thought nature's plan,
A palm tree grew so tall,
Oh, what a ham I am!

There's something wrong with me,
With my metabolism.
I can't do what I want
Without a serious schism.

So though I'm fond of nature
And all the great outdoors,
Give me a padded cell,
Astringent on my pores!

I'll bet there are a lot of
women like me. We love the out-
doors but we look with envy at
those who look stunning on the
beach and cute with windswept
hair. At the same time we are
breaking out in rashes, getting
sand in our eyes, and cutting our
big toes.

That's why I am glad to report
good news to all of my suffering
sisters. Today you can buy prod-
ucts which help screen out the

sun's harmful rays. In fact, by
regulating the amount of sun you
get, you probably can get a beau-
tiful tan. If you want some pro-
tection but also some suntan, you
can get that, and I think the
screening products would be
helpful to those who freckle.

Shower for Miss Grimshaw

Home of Mrs. A. E. Bowden, 1814 Monteith Avenue, was the setting of a shower for Miss Marilyn Grimshaw who is to be married late this month to Mr. Michael Schneider. Gift to the bride-elect was a two-piece setting for her dinner set. Hostesses Mrs. V. E. Fraser and Mrs. A. E. Bowden presented a corsage of gardenia and carnations to Miss Grimshaw. Mother, Mrs. F. Grimshaw, received red roses and sweetpeas and grandmother, Mrs. A. B. Chatton, pink roses and mauve sweetpeas.

The table was centered with a white cake, which was decorated in a shower motif of pastel parasols attached to the cake with pink ribbon. Guests were Mesdames F. Grimshaw, A. B. Chatton, A. MacGregor, W. Dillabaugh, B. Thompson, R. Wakeham, A. Wright, G. Hall, N. Camusa, L. Matthews, P. R. Bowden, P. T. Hutchison, R. Lamont and Miss Judy Grimshaw.

Gifts in Wishing Well

Miss Helen Massie, who was married on Saturday, was honored recently when Mrs. E. J. Stewart entertained with a china shower at her home on Cook Street. The gifts were concealed in a wishing well. A corsage bouquet of sweetheart roses were presented to the honor guest and carnations to her mother, Mrs. J. Massie, and the mother of the groom-elect, Mrs. W. J. Sanders. Others present were Mesdames B. Dunstan, J. Smith, M. Griffin, B. Smith, C. Appleby, T. Vincent, D. Caldwell, Y. Oliver, Misses C. Pyart, E. Robbins, C. Cowper-Smith, J. Miller, M. Palmer, M. McCormack, T. Thomas and B. Byers.

Five Nurses Honored

Nurses at Veterans' Hospital gathered recently at Sooke Harbor House for a cocktail party and dinner to honor five co-workers who are leaving the staff, Mrs. Margaret Porter, Miss Yvonne Willis, who is to take post-graduate work in interventional therapy at St. Joseph's Hospital, Miss Grace Martin, returning to her home in Toronto, and Miss Grace Scott and Miss Joan Gilchrist who are going to Juneau, Alaska.

Corsage bouquets and gifts were presented to the honor guests by Miss J. Roberts, the matron at the hospital. Covers were laid for 50.

Next Friday the five nurses will again be honored at a beach party to be held at the home of Mrs. J. McCague at Langford Lake.

Out-of-town guests at the Bray-Durkin wedding in St. Barnabas Church, Saturday evening, included Mrs. L. Panama, Ketchikan, Alaska; Mrs. Maie Kreiler, Calgary; Mrs. F. Clinton and Miss Robertson Clinton of Vancouver; aunt and cousin of the bride; Mrs. C. E. Campbell, Parksville, and Mr. B. Lattanzi, Duncan, V.I.

Women's Association of Victoria Progressive Conservatives have arranged a garden tea on Tuesday from 3 to 5 at "Queenswood-Houle," Arbutus Road home of Mr. and Mrs. J. R. Kilgour. In the receiving line will be Mrs. Kilgour, Mrs. Herbert Anson, Mrs. G. R. Parkes, Mrs. Walter Miles, Mrs. Margaret Harvey, Mrs. Cecil Holmes, Mrs. A. deB. McPhillips and Mrs. Robert Fort. Presiding at the tea table during the afternoon will be Mrs. E. C. Woodward, Mrs. R. Wootton, Miss Una McAnall, Mrs. J. D. Prentice, Mrs. Gordon Cameron, Mrs. R. McVie, Mrs. Barbara Green, Mrs. Renee Archibald, Miss Gladys Irving, Mrs. H. Weldon, Mrs. D. C. McArthur and Miss E. Thorne. A half-hour bus service will be given from the Pandora Street terminus from 2.30 to 4.30.

New St. Barnabas Church Scene of First Wedding

Standard baskets of early summer flowers were placed at the altar in the new St. Barnabas church, Saturday evening, where Rev. E. Munn officiated at the marriage of Jean Irene, only daughter of Mr. and Mrs. John M. Durkin, Cadboro Bay Road, and Alfred Charles Bray, son of Mr. and Mrs. A. Bray, Pine Street.

Organist Mrs. M. Roberts played the wedding music and Mr. Clem Mann sang, "The Lord's Prayer."

The bride, escorted by her father, wore a white gown fashioned with lace bodice and full net skirt over white taffeta. Her finger tip veil was gathered to a lace Juliet cap finished at the temples with clusters of feathered pale pink carnations. A rhinestone brooch, the groom's gift, sparkled at her neck and she carried gardenias and pale pink feathered carnations.

Miss Georgina Bray, groom's sister, was matron of honor in mauve and Miss Fae Browne, bridesmaid, chose pale green. Their gowns were styled with full net skirts and boleros of brocade taffeta. Their halo headresses were of matching pleated net trimmed with delicate mauve and pink flowers and they carried colonial bouquets of mauve sweet peas centred with pink roses. Little Connie O'Connor was a pretty flower girl in a pale yellow taffeta frock trimmed with mauve ribbon. Tiny mauve flowers were arranged in her hair and she carried a miniature colonial bouquet of mauve sweet peas and pink roses.

Mr. Stanley Pimlott was groomsmen, and ushers were Mr. Maurice O'Connor and Mr. Charles Arkinstall.

For the occasion Mrs. Durkin chose grey taffeta with violet accessories and Mrs. Bray wore powder blue with navy accessories.

Scottish Auxiliary Officers Elected

Slate of officers for the coming term were elected at the first annual general meeting of newly-organized Women's Auxiliary to the Canadian Scottish Regiment (Princess Mary's). Officers are: Mrs. S. J. McDonald, president; Mrs. M. L. Augustine, first vice-president; Mrs. R. D. Travis, second; Mrs. P. F. Ramsay, recording secretary; Mrs. S. J. Digby, treasurer, and Mrs. J. Fawcett, corresponding secretary.

Reports of year's activities were read by committee chairmen, treasurer's report indicating \$964.77 raised since November, with \$601.87 expended for troop comfort.

Final plans were drawn up for a mixed card party to be held in late June. Among attractions will be door prizes and a raffish fruit cake.

It was decided to discontinue meetings for July and August, the next meeting to be held Sept. 3.

White Flowers Form An Attractive Setting for Saturday's Wedding

Tall baskets of white gladioli at the pulpit and tiny bouquets of white swainsonia on guest pews, created an attractive setting in First United Church for the wedding, Saturday evening at 9, of Diana Jean, daughter of Mr. William McMichael, 1269 Tattersall Drive, and Norman Allan, son of Mr. and Mrs. William Allan, 603 Toronto Street.

Rev. Moir A. J. Waters officiated, and Mrs. Roberto Wood, at the organ, played "O Promise Me" during the signing of the register.

Rich white satin was chosen by the bride for her wedding gown, styled with full rippling skirt accented with a chic lace peplum and square-necked bodice touched with lace, the short sleeves stitched over satin.

Her veil was held with a graceful tiara and she carried a bouquet of red roses and white swainsonia. Only ornament was a rhinestone necklace, gift of the groom.

Mr. McMichael gave his daughter in marriage.

Women's Auxiliary, St. Michael's and All Angel's Church, Royal Oak, strawberry tea and garden party, at home of Mr. and Mrs. P. J. Rawlinson, Santa Clara Avenue, Elk Lake, Wednesday, 2.30 to 5.30. Also table of home cooking and produce.

Miss Gladys Holling is leaving Friday, this week, for a tour of the British Isles and France. En route she will visit friends in Toronto and Montreal, sailing on the Empress of Canada on June 20.

Pale green taffeta was worn by Miss Barbara Kierstead, who came from New Westminster to be the only bridal attendant. She carried a bouquet of snapdragons and sweetpeas in tones of pink.

Mr. Leslie Bestwick, Nanaimo, B.C., was best man, and Mr. William McMichael, Burnaby, B.C., and Mr. William Allan, the ushers.

Following the ceremony a reception was held in the lower hall at the Crystal Garden, where a

New Toni
WITH PRICELESS PINK LOTION

Holds the set longer than any other permanent!

Which Twin's Toni was set a week ago—and which was set today?

Yes, both twins have Toni's. Julia Lacy, on the left, had hers set just before this picture was taken — Cynthia, on the right, had her Toni set one whole week before and never re-set it! You can't tell the difference. Here's proof that Priceless Pink Lotion gives a wave that stays lovely without re-setting!

You'll forget all other ideas about permanents the first time you use New Toni with Priceless Pink Lotion. For the new Toni process is faster, gives a wave with the vibrant spring and silky-softness of a natural wave. Yes, and it holds the set longer than any other permanent you've ever had!

Never a lotion so wonderful! You've never used anything like Toni's new Priceless Pink Lotion! It curls more completely—yet is kinder to your hair! And that means a lovelier, livelier wave for you. Less re-setting. New freedom from the nightly chore of pin curls.

Never a neutralizer so fast! You save 20 minutes with the new Permafix method of neutralizing. And because Permafix neutralizes more thoroughly, it "locks in" your Toni wave so it can't come out. New Toni means all day—every day beauty for you month after month.

Never a guarantee so complete! If you don't say your new Toni looks lovelier and holds the set longer than any other permanent you've ever had, the Toni Company will cheerfully refund your money. So try New Toni—and you be the judge. Ask for the New Toni at any cosmetic counter.

New Toni Refill \$1.75

Toni

Makes you forget your hair was ever straight!

Never before—a wave so lovely...so lively...so lasting!

RCH
as Crown
y Thieves

"I said before, and I say now,

offer complete forgiveness. All I wanted was the return of the crowns."

Their disappearance was discovered May 31, just six days after they were installed in the \$2,000,000 Regina Pacis, Votive Shrine, built to fulfill a vow taken by the congregation.

Honoring the Virgin as the Queen of Peace, many of the St. Rosalia members had contributed family jewels for the crowns, personally blessed by the Pope in Rome.

There was no immediate estimate of the value of the missing diamonds.

The special delivery package was delivered by post office messenger William Rorke, 35, a Roman Catholic who had been praying in his own church for return of the crowns.

The cardboard box, wrapped in manila paper, bore the return address of the Manhattan police headquarters annex, 400 Broome Street.

McMahon & Burns, with the Bank of Montreal, were successful in tendering on \$9,000 worth of 3½ per cent school bonds offered.

Dominion Securities and the Bank of Commerce bid 100.89 per cent on the local improvement issues, while McMahon & Burns and the B. of M. bid 98 per cent on the school debentures.

Koreans Partner Canadian Tars

South Korean Patrol Craft Do Some Good Shooting at Enemy Positions Along Shore

BY BILL BOSS
At Sea, Aboard H.M.C.S. Athabaskan, (By Mail) (CP)—The Koreans' gunnery was excellent. No fumbling for the target—every shell and bullet went right into the area.

Operating from the Athabaskan as firm base, Korean patrol craft numbers 703 and 307 had gone right inshore to have a close look-see and shoot it up.

Athabaskan was seven miles westward, slowly prowling the Yellow Sea, ready to bombard anything bothering the Koreans. There were Corsair aircraft overhead, too, from the U.S. carrier Bataan.

SEARCH FOR JUNKS

Athabaskan's skipper, Commander Dudley King of Victoria, had ordered the Koreans to see whether the Communist were assembling junk for an invasion of United Nations-held islands off the coast. If any were spotted they were to be captured and their crews taken prisoner.

P.C. 703 was captained by Lt. Cmdr. Sohn Byung-Yil, 27-year-old veteran of six years' service with the R.O.K. navy. Life has four ships under his command, all assigned to work under Athabaskan's orders.

For this mission 703 had Sub-Lieut. Jack Watson of Victoria aboard—as liaison officer. Watson's radio communications with "Atha Bee" were maintained by P.O. Earle Wareham of Winnipeg and L.S. Don Lory of New Westminster. B.C. L. S. George Brown of Victoria was along as photographer.

First target engaged was a long spit of mainland enclosing a sort of bay. A radio aerial was spotted among the trees on a hilltop.

While 703's guns slammed right into the thicket, 307 probed forward, going deep into the bay unmolested. She was followed in by 703, now lashing the spit and its already-battered buildings from behind.

NO BAR ON PLANE—MAD

NEW YORK, June 9 (UP).—A double-deck stratoscruiser dived toward London today with 106 women and children and one miserable man passenger.

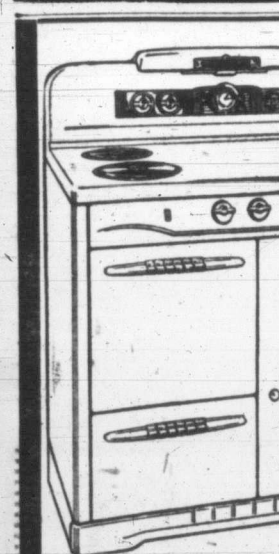

As he boarded what was believed to be the largest trans-Atlantic commercial flight in history, Frank Braun of Philadelphia asked: "Do you have a bar on this plane?"

When a crewman said the bar had been converted into a nursery, Braun, who was accompanied by his wife and two children, moaned: "What the heck am I going to do?"

Peron Begins Second Term

President Juan D. Peron and his wife, Eva, wove to crowds as they ride through the Plaza de Mayo in Buenos Aires on way to capitol for ceremonies inaugurating Peron's second term. Peron is the first Argentine chief executive ever to start a second term. Mrs. Peron appears pale following her recent series of serious illnesses. (NEA Radio-Telephoto.)

Daughter Shoots Mother, Recording Minute Details

NEW YORK, June 9 (AP).—

Shirley Binder, 24, was accused Saturday of slaying her mother and then recounting it in a diary, down to the "fluttering" of her parent's eyelids.

The slender woman, twice committed to a mental hospital in recent years, was arrested in Peekskill, N.Y., some 25 miles from the New York city home in which Philip Binder found the body of his wife, Fanny, 58, Thursday.

Mrs. Binder, shot three times, had been locked in a guest room. Police said Miss Binder wrote a graphic account of her mother's death in a typewritten, loose-leaf diary.

The young woman, police quoted the diary as saying, fired several shots, while her mother, wounded, pleaded: "Stop, stop."

The police account added, she ordered her victim into the guest bedroom, and shot again.

The diary, police said, was explicit, down to "the fluttering of the mother's eyes," and the flow of blood.

The daughter wrote that she then washed her victim's wounds

and left her, locking the door, police said.

When her father came home Wednesday, she told him her mother had gone to a show.

Binder, according to the diary, waited all night for his wife to return and at 5 a.m., thoroughly alarmed, went to a son's home. The daughter then departed. Binder came back several hours later with his son. They found the body.

Miss Binder was booked on a homicide charge.

British Scientists on March to Atomic Plane

LONDON, June 9 (AP).—The Sunday Chronicle reports Sunday that British scientists have overcome the major obstacle preventing construction of an atomic-powered plane.

"Harwell (the British atomic centre) scientists have developed a new alloy which makes possible the construction of a compact atomic reactor capable of developing tremendous power," the newspaper said.

"The new wonder metal looks like any of a hundred different alloys in everyday use. But its very special properties make it possible for a comparatively-thin shield of the new metal to do the work of a concrete wall many feet thick in damping the deadly radiation from the atomic engine."

The chronicle says the atomic reactor "is reported to be small

enough to be mounted on a base only four feet square.

"The basic engine is capable of adaption for driving propellers or for use in a system of hot-air jet propulsion. Fueled by a few pounds of uranium, the reactor is capable of many years running without attention other than normal maintenance."

The supply ministry, which controls the British atomic program, said it knew nothing of the new atomic reactor.

Antarctica is about one-third again larger than Europe.

RED MAIL BOXES IN NATIVE LAND FOOLED 'GOTHAM VISITOR

MORRISTOWN, N.J., June 9 (AP).—Win Tsie, a student at Stevens Institute of Technology in Hoboken, wanted to mail a letter Saturday while he was visiting friends here.

He strolled out to a mid-town corner and opened a red box on a pole. Six fire engines and an ambulance wheeled to the corner, sirens screaming.

Win, who hails from Paramaribo, Dutch Guiana, was still clutching the letter in his hand and looking bewildered.

Fire Chief John Cullinan good-naturedly accepted Win's explanation that mail boxes always were red in countries he had visited and directed him to a green mail box nearby.

TO OUR WELL-HEELED CLIENTS
...and to all others who would like to make a REAL investment in a NEW KIND of mattress—LISTEN TO THIS!

In the FIRST place, this mattress has NO TUFTS to gather dust & lint, built just like a GIANT PILLOW. It has a new type of spring unit inside, SO FLEXIBLE that if we had an elephant down here we would let him waddle across it, to show you it cannot be squashed.

ON TOP OF ALL THIS, a thick layer of Goodyear Air-Foam rubber was added and ... on BOTH sides.

This "Giant Pillow" is yours for **\$79.50**

HUMBER'S FURNITURE WAREHOUSE
REMEMBER... The Rest of Your Days Depends on the Rest of Your Nights.

Right from the start - you'll love it!

IT ISN'T always the big things that tell you how downright good a car really is.

You'll note, for example, that this Buick has —not one—but two sets of figures on its speedometer. There's one for total mileage, which almost all cars give you. And there's one for trip mileage, found on all Buicks, but rare on other cars carrying comparable price tags.

Then there's the way a Buick starts. No groping for a starter button on the dash. You just push down your foot on the accelerator pedal —and one motion does the whole job.

That's something else found only on a Buick —and we can give you a good guess what the reason is—it's a costlier device.

And when you step on this combined starter-accelerator—boy, do things start to happen! That great-powered Fireball 8 Engine purrs into action—and you're off with the steady swoop of a Diesel streamliner on the rails.

Now, you discover something else. Buick's Million Dollar Ride. Sure-footed on curves, level-gaited on the straightaway, steady and true on course—it's worth every dollar it cost in tools, engineering and special features—including the magic of Dynaflo Drive.*

What we are trying to tell you is this:

No matter how you size up a 1952 Buick—by its features, its fabrics, the way it performs, the way it rides—or the cost per mile of operation—you find that nothing is spared to make it the greatest buy it has been in years.

And that's doubly significant when you remember that Buick delivered prices start

down at a figure that any new-car buyer can easily reach.

How about checking this for yourself, at your nearest Buick dealer's?

*Standard on ROADMASTER, optional at extra cost on CUSTOM and SUPER Series.

TWO FOR THE SHOW

By PHIL LEE

AA (Oscar class). BB (Worthwhile).
A (Don't miss). B (For rainy days).
C (To put in time).

If it is handled properly—that is by Canadians, for Canadians, about Canada—the official opening of television in the eastern provinces this year by the C.B.C. should be the means of releasing national arts and letters from the shackled state they have been in since before Confederation.

Lee

It is reporting nothing new to point out that our country's best actors, actresses, singers, pianists, musicians, dancers, writers, playwrights, radiomen, failing recognition in their own country, have found it necessary to sell their invaluable wares to the more appreciative Americans and British.

This has been going on for a long time, and will continue to go on, until Canada has something concrete—financially and

in the way of outlets—to offer Canadian talent. Canada's arts and letters are at ebbide as shown by the amazingly frank report by the royal commission on arts and letters handed down by Vincent Massey not so long ago, just before Mr. Massey became the country's first Canadian-born Governor-General.

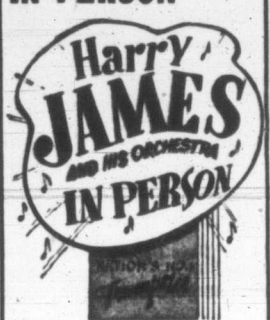

Only on its historical threshold, even before its maiden telecast, television in Canada is already causing a demand. The shout has gone out for TV scripts, to be written by Canadians about Canada. Scripts need writers; scripts will also call eventually for actors, actresses, singers, dancers, choreographers, make-up artists, musicians and a host of allied artists who have never had full chance to display their genius on behalf of their own country.

Most importantly, plays going before the television camera, many of them, are first enacted before the movie camera and then released as a movie to be eventually projected through the new medium. This could easily mean for television at least the beginning of a Canadian "Hollywood" or "Ealing" . . . on a Canadian scale, of course.

Happily, television may be the means of keeping many of our countrymen within our borders, even luring back some of those who have already gone. It is also nice to think that Canadian television may serve as a goal to those embryonic artists who, without a chance to succeed in their own country and yet not wishing to leave, might have given up in despair and let their artistic seeds go to waste.

Certainly television in Canada should be a source of new hope to all struggling Canadian artists.

It Went in There

"I don't see anything," says four-year-old Frances Langner as she looks down the throat of her cousin, Beverly Langner, three, in Minneapolis. The fire department rescue squad had better luck, they extracted a butterscotch ball which had lodged in Beverly's windpipe.

Rossellini May Defend His Marriage to Ingrid Bergman

HOLLYWOOD, June 9 (UP).—The stage appears set today for Italian film producer Roberto Rossellini to go to Hollywood for a dramatic courtroom defense of his marriage to actress Ingrid Bergman.

But Rossellini declined to say in Rome whether he would accept the invitation given him by a superior court judge to reply to the "calumnies" he said Miss Bergman's former husband, Dr. Peter Lindstrom, hurled at him in court.

His wife's attorney, Gregson Bautzer, said Rossellini had the "intention and desire" to come to testify in Lindstrom's battle with Miss Bergman over custody of their 13-year-old daughter, Pia. Bautzer said Rossellini wanted

to defend his "reputation" and his marriage to Miss Bergman and added that it "appeared" the producer would testify in person.

In Rome, however, there was speculation that Rossellini might settle for a written deposition filed in the court in Hollywood.

Cement Expert Casts Eyes on Jane Russell

BY ALINE MOSBY

HOLLYWOOD, June 9 (UP).—The man who cements the movie stars' footprints at Grauman's Chinese theatre mourned today he's running out of big-name stars to immortalize.

Twenty-five years ago today the famous theatre opened, and cement-mixer Jean Klossner recorded his first celebrity's footprints in front of the movie palace.

By now he's carefully pressed into cement the hands and feet of most of the cinema celebrities—plus such special jobs as Bob Hope's nose, Betty Grable's leg and Harold Lloyd's glasses.

The only grade A celebrity with a trademark he hasn't cemented is Jane Russell.

"With her assets, it sure would

be an attraction," chuckled the 78-year-old Klossner, a frisky man who often leaps into the air to click his heels.

"There aren't many big-name stars left. These newcomers aren't real stars yet."

Klossner regards himself as an artist. He says he uses a special cement his ancestors perfected in Italy, and without this, he says, movie stars could never be immortalized in the cement of time.

The goo he brews takes 20 hours to harden, giving him time to deepen the imprints with 15 different tools. The cement is so lasting that the imprints of the 20's have withstood the pounding of tourists' feet.

The first imprint to be cemented was the late showman Sid Grauman's.

Two Records Broken by City Cyclists

Members of the Victoria Cycling Club set two new club records Sunday in their 25-mile grind over the Victoria-Sooke highway course.

Club best all-rounder Alf Matthews beat the club record for the third successive year when he blazed over the course in one hour three minutes 37 4/5 seconds, knocking four minutes off the course record held by Bill Moffatt.

One minute two one-fifth seconds behind the leader was Roland Chalmers who held the lead at one time but lost it to Matthews in the last 10 miles.

Junior rider Ray Birley, as well as winning third place in the senior open division with a time of one hour six minutes 32 seconds, cut two minutes off the former junior record held by Chalmers.

Norm Ord took fourth spot 12 minutes behind the winner and Junior Phil Potts, riding his first 25, finished fifth.

Nanoose Bay's Ayrshires Win Show's Honors

PARKSVILLE, June 9 — Top honors at the Red and White Ayrshire Show here Saturday were won by Harry Dawson and Son, Nanoose Bay.

Their entries won the herd class and they had seven other firsts. Their bull, Granview Dolly IV, took the grand championship. This is the fourth year in succession the bull has taken first place.

Reserve grand champion bull was Tryon's Prairie Pride owned by Tryon Bros., French Creek, and reserve grand champion cow, Haughland Beauty, owned by D. C. Morton, Duncan.

The Haughland trophy shield, donated by Capt. C. L. Anderson for the best fitted and shown calf exhibited by a provincial calf club member, was won by Joe Saville of Duncan.

A special Canadian Legion award was won by five-year-old David Tryon with his junior heifer calf Gypsy.

Four-H clubs were well represented at the show. Winners were: Seniors, Joanna Ross, Comox; Joe Saville, Cowichan; Josephine Fall, Cobble Hill; Michael Clegg, Cowichan. Juniors, Neil Scott, Cowichan; Derek Pickering, Cobble Hill; Peter Lovett, Cobble Hill; Ella Stame, Comox.

Search Halted For Lost Hero

NICOSIA, Cyprus, June 9 (Reuters) — The R.A.F. today called off a search for Air Vice-Marshal David Atcherley—one of Britain's famous flying twins—missing on a flight from the Suez Canal zone to Cyprus.

Atcherley, commander of the 20th Group R.A.F. in the canal zone, was flying solo in a Meteor jet fighter on the 450-mile hop across the Mediterranean. He was due here Saturday.

The most intensive search ever carried out over the eastern Mediterranean began after he was reported overdue. Turkish, Israeli and United States planes joined R.A.F. planes from Cyprus, Malta and the canal zone in the search.

The officer is one of two 48-year-old twin brothers—both air vice-marshals, both bachelors and closely resembling each other. They became famous as the "flying twins" as commander of night fighter squadrons in the Second World War. Both received high decorations for gallantry.

The second brother, Richard Atcherley, was commander of the Royal Pakistan Air Force until May, 1951.

Victorian One of Two Ordained at Cathedral Service

Archbishop Harold E. Sexton Sunday ordained two young men in Christ Church Cathedral.

They are J. F. O'Neill, 1248 Fort Street, and John Stainer, of Nanaimo.

Mr. O'Neill is a graduate of the University of Toronto, and Wycliffe College. He is curate to Canon Nicholson at St. John's, Norway, Toronto.

Mr. Stainer is a grandson of the famous composer, Sir John Stainer, and is a graduate of Magdalen College, Oxford. He has been assisting in the Nanaimo parish.

AID—Sandpaper offers an aid in treating various facial disfigurements, the American Medical Association in Chicago was told today.

Dr. Claire L. Straith and several plastic surgery colleagues of Detroit said sandpapering of the skin—usually as a follow-up to surgery—offers help towards erasing pimple pits, pock marks, tattoos, cinder marks or carbon marks from explosions.

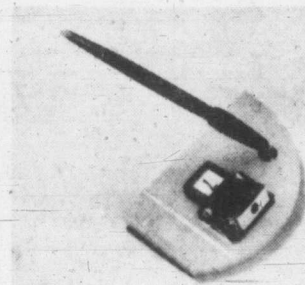

The doctors told about the technique in a scientific exhibit at the A.M.A.'s annual meeting, opening today, for a week-long session with an expected attendance of some 15,000 doctors.

Provincial public works department has ordered parking restrictions on Patricia Bay highway near Elk Lake.
